Approved Contractor List

This is a list of the approved contractors in the Long Beach Solar Water Heating Program that will be updated as more contractors become eligible. If you are a contractor that is eligible in the CSI-Thermal program and would like to become eligible in Long Beach, please submit a **Contractor Participation Application**. If you are not an eligible contractor in the CSI-Thermal program, or if you are an interested self-installer, please contact **swhp@longbeach.gov** for more information on how to become eligible.
