Long Beach Airport Terminal Area Improvement Project EIR
Public Meeting
November 29, December 3, December 5, 2005

Please provide your comments below and complete the opposite side of this card. Thank you.

Please extend the review process to at least 90 days total (This is a very small amount of time need to evaluate this complex ~~&~~ confusing report). There are many undefined terms & unsupported conclusions. Many aspects don't add up - don't make sense. In the end the greatest concern should be for the quality of life of Long Beach residents. I'm in favor of improving what we currently have & not adding any more square footage
