Date: February 4, 2015
To: Patrick H. West, City Manager *T.M.W.*
From: *AJB* Amy J. Bodek, Director of Development Services
For: Honorable Mayor and Members of the City Council
Subject: **Southeast Area Development and Improvement Plan (SEADIP) Update
Community Workshop, February 11, 2015**

You and your constituents are invited to attend an upcoming Southeast Area Development and Improvement Plan (SEADIP) Update Community Workshop to be held on Wednesday, February 11, at 6:30 p.m. The event will take place in the Marina Room at the Best Western Golden Sails Hotel located at 6285 E. Pacific Coast Highway.

This event continues staff's efforts to ensure that the SEADIP update is an open, transparent, and robust process. Although the plan boundaries are located entirely within the 3rd District, southeast Long Beach is an area that residents from all over the City visit to work, shop and recreate. As such, all members of the community are invited to attend and participate in the workshop.

At the workshop, attendees will have the opportunity to learn about and provide feedback on key items that will shape the updated plan, including analysis of development alternatives and scenarios, a proposed land use plan, community design components, and an overview of the next steps in the planning process. Attached, please find an informational flier providing more details on the workshop.

If you have questions, feel free to contact Amy Bodek at ext. 6428.

Southeast Area Development and Improvement Plan | City of Long Beach

Community Workshop

The City of Long Beach invites you to attend the third Southeast Area Development and Improvement Plan (SEADIP) community workshop on February 11. At the workshop, attendees will be able to learn about and provide feedback on the following items:

- Recent project analysis and findings
- Proposed land use plan
- Community design components (architecture, massing, streetscapes)
- Overview of next steps in the planning process

We Appreciate Your Input!
