

Police

Core Services:

- Provide professional, proactive & innovative policing
- Focus on crime prevention, timely response, & thorough investigations
- Use technology to improve service & enhance public safety
- Work closely with City, County, State & federal Agencies; residents and businesses to effectively reduce crime

Police

Approach to Budget Reductions:

- Begin to stabilize police staffing levels by holding an academy in FY 13
- To facilitate ongoing funding for these academy recruits, roughly half of any FY 14 and FY 15 Police Department reductions is expected to come from reductions in non-sworn costs
- Maintain patrol calls for service as the highest priority, reducing specialized units and support functions
