How do I get my ballot mailed to a different address?

There is an area on the application for mail ballot that must be completed with the mailing address in order for the ballot to be mailed to the mailing address. In lieu of a home address, ballots can be mailed to an alternate address or a post office box.

I would like to vote Vote-by-Mail in every election. Must I apply for a Vote-by-Mail ballot for each separate election?

No. You can apply for "Permanent Vote-by-Mail Voter" (PAV) status. Once on file as a PAV, a ballot will automatically be mailed to you for each election in which you are entitled to vote. Once a voter receives PAV status, he/she will retain this status as long as he/she casts a ballot in statewide general elections. For additional information on becoming a PAV, please refer to your sample ballot pamphlet or call the City Clerk Department at (562) 570-6101.

I received a Vote-by-Mail/vote by mail application from a political campaign. Is this ok to use?

Yes. Individuals, organizations and groups may distribute Vote-by-Mail/vote by mail ballot applications; however they must use the standard format as specified by the Long Beach City Clerk. The election official is not responsible for Vote-by-Mail/vote by mail ballot applications mailed to these individuals or groups. To ensure your ballot is mailed to you in a timely manner, it is recommended that you fax, mail or bring your application directly to the Elections Office.

What is the deadline for returning a Vote-by-Mail ballot?

All Vote-by-Mail ballots must be postmarked by Election Day and received by the elections official no later than three days after Election Day, pursuant to [CA Elections Code, 3020](#).

I have spoiled/lost my Vote-by-Mail ballot, can I get another?

Yes. Please contact the City Clerk Department at (562) 570-6101, or fax a statement with request for duplicate to the City Clerk Department at (562) 570-6789. For a spoiled ballot you may mark the outside of the envelope and mail the spoiled ballot back to us (time permitting). We will then issue a new ballot to you.

If I don't mail in my ballot in time to make the deadline, how do I make sure that my vote is received?

You may turn in your voted Vote-by-Mail ballot to any polling place in the City or at the City Clerk Department. If, because of illness or physical disability, you are unable to return the ballot yourself, you may authorize, in writing, a spouse, child, parent, grandparent, grandchild, brother, sister or person residing in your household to return the ballot to the Elections Office or to any polling place within the City by 8 p.m. on Election Day.
