Effective the date above the following are the household income limits, established by the California Public Utilities Commission for residents whose age is 62 years or older and for disabled persons.

Number of persons in the household	Combined gross income for all members of the household (including taxable and non-taxable income)
1 or 2	\$32,480
3 or more	\$40,840

City of Long Beach
Working Together to Serve

Memorandum

Date: August 25, 2017

To: Monique De La Garza, City Clerk
Pamela Horgan, Manager Commercial Services Bureau

From: David S. Nakamoto, City Treasurer 

Subject: Utility User Tax annual income limits for qualified households

In accordance with Section 3.68.080 of the Municipal Code we are required to provide to the City Clerk and the Commercial Services Bureau a notice of the annual income limits for residences who qualify for an exemption of the Utility Users Tax effective January 1, 2018.

The Code does not provide direction on how the notice will be prepared; therefore, I have attached a Public Notice that appropriately describes the income limits established by the Code for your review. Please let me know if you want to make any changes.

Thank you for your assistance
