Subject: *2014 The Year in Review*

I am pleased to present to you our *2014 The Year in Review* report. The report details some of the major actions and achievements accomplished this past year as a result of policy direction from the Mayor and City Council, and the efforts of our dedicated and talented City staff.

Despite reduced resources for services and infrastructure projects, and the lingering effects from the prolonged recession, we managed to accomplish a great deal during the past 12 months.

The report will be posted on the City's website, and a press release regarding its availability will be forthcoming.

Please contact Angela McGrath at 570-5029 if you would like printed copies of the report to distribute to key community members.
