

Date: February 9, 2017

To: Mayor and Members of the City Council

From: Patrick H. West, City Manager *T.M.C.*

Subject: **"Beach Streets East" Open Street Event**

Everyone is invited to participate in the "Beach Streets East" Open Street event on Saturday, April 29, from 11:00 a.m. to 5:00 p.m. Portions of Atherton Street, Bellflower Boulevard, Los Coyotes Diagonal and Spring Street will be opened for walking, bicycling, skating and socializing, by temporarily closing the street(s) to vehicle traffic.

Several entertainment hubs along the route, including a dedicated children's area at Whaley Park, will feature outdoor music, food and drink specials, activities and more.

Open Street events promote the pursuit of innovative strategies to achieve environmental, social, economic, and public health goals. By repurposing streets for cyclists, pedestrians, and other non-motorized users, cities are encouraged to consider other ways our streets can be used.

Bike Share bicycles will be available for City Council members and adult family members. However, children's bicycles and baby seats are not available. We will provide information regarding parking for Councilmembers separately.

For more information, including updates, entertainment, maps and public parking information, please visit www.beachstreets.com.
