Subject: Holiday Tree Recycling Program

The Department of Public Works is holding its Annual Holiday Tree Recycling program from December 26, 2017 to January 13, 2018. This program provides residents with numerous opportunities to recycle their holiday trees free of charge.

From December 26, 2017 through January 12, 2018 residents can drop off holiday trees at 12 locations throughout the City (see attached).

Residents with City refuse service can also have their trees picked up from their homes on Saturday, January 13, 2018. Trees need to be set out for collection by 7:00 a.m. at the regular refuse collection location.

Public Works requests your assistance with distribution of the attached multilingual Holiday Tree Recycling Program flyers.
