For: Mayor and Members of the City Council
Subject: **Five-Year Consolidated Plan Accomplishments Brochure**

Through the Five-Year Consolidated Plan and subsequent Annual Action Plan process, the U.S. Department of Housing and Urban Development (HUD) allocates formula block grant funds to the City including Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), and Emergency Solutions Grant (ESG) funds. The funds are targeted at programs and projects that assist low and moderate-income persons by providing decent and affordable housing, a suitable living environment, and expanded economic opportunity.

The last Five-Year Consolidated Plan cycle ended on September 30, 2017. The Department of Development Services has prepared a brochure (attached) describing the accomplishments made through various housing and community development programs and projects.

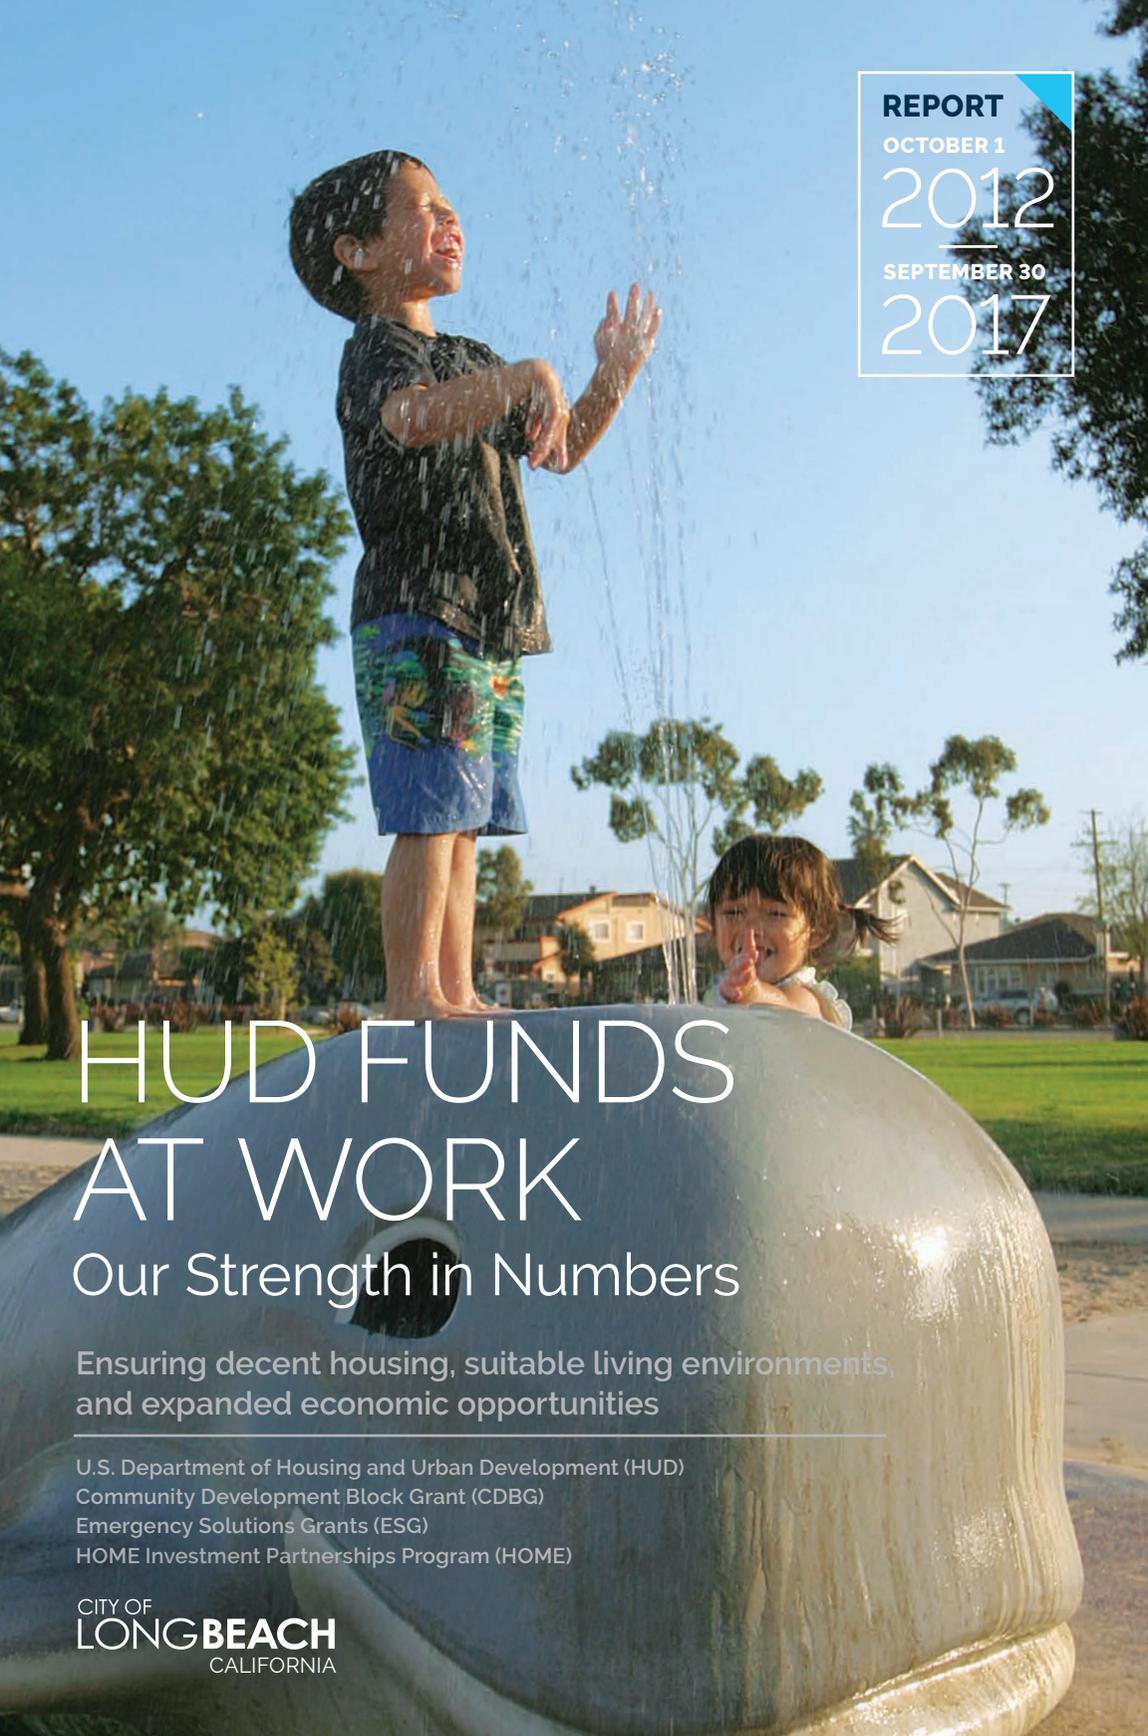

The Department of Development Services would also like to acknowledge that the accomplishments depicted in the brochure would not be possible without the support of our City Departments, community volunteers, neighborhood associations and private sector partners.

If you have questions regarding this matter, please contact Alem Hagos, Grants Administration Officer, at (562) 570-7403 or Alem.Hagos@longbeach.gov.
