Subject: **Virtual Grand Opening for Houghton Park Community Center**

Mayor Robert Garcia, Councilmember Rex Richardson, and the Parks, Recreation and Marine and Public Works Departments invite you and your staff to tune into the Virtual Grand Opening of the Houghton Park Community Center. This event will be streamed live via the City of Long Beach's [Facebook](#), [Twitter](#), [Instagram](#) and [YouTube](#) on Tuesday, June 30, 2020, at 1:00 p.m. This event will only be available online to remain compliant with the City's Health Order for the COVID-19 pandemic.

This 6,450-square-foot expansion project provides additional space to accommodate more community programming, events and meetings, and improves ADA accessibility. The building's energy efficiency has also been improved through the LEED Silver design and electricity upgrades. The project is part of the Houghton Park Master Plan adopted by the City Council in November 2015.

The project was made possible by \$5,741,896 from Measure A and \$4,482,612 from other funding sources, including FY 14 one-time funds.

If you have any questions regarding this event, please call Jennifer Carey at (562) 570-6522.
