Lifeguard Headquarters Rehabilitation & Junior Lifeguard Facility Rebuild

Community Open House at the Lifeguard Headquarters

September 21, 2016 6:30pm
2100 E Ocean Blvd, Long Beach, CA 90803

The City is commencing the planning effort to rehabilitate the Lifeguard Headquarters Facility and rebuild the Junior Lifeguard Building. Come meet the architectural team that will lead the planning and design process and learn more about opportunities and constraints at the site.

This project includes the rehabilitation of both facilities to create functional and adequate spaces that enhance Marine Safety staff's capacity to provide public services.

RSVP at: <http://lifeguardopenhouse.eventbrite.com>
