Block Parties in the Fourth

It was a busy Fourth of July weekend in the Fourth. There were countless block parties and neighborhood get-togethers. I did my best to make the rounds and say hi to all the residents. I hope everyone had a fun and safe three day weekend celebrating with family, friends and neighbors. I have included some of the pictures I took while visiting the various block parties, and you can view all the picture [here](#).

Prospect Ave Community Meeting

Wednesday evening, I hosted a community meeting with residents on Prospect Avenue about traffic concerns in the area. The neighborhood shared many concerns about the intersection at Park/Prospect and Anaheim Street. The concerns focused on speeding, parking and other negative impacts of the signal on their street. I was able to bring this to the attention of Public Works and the Assistant City Traffic Engineer, Abraham Bandegan, and Traffic Engineer, Don Tran, were able to present a potential plan to resolve their concerns. Thank you to the residents who brought this to my attention, and thank you to the Traffic Engineering team of Public Works who came up with an excellent solution.
