### We Love LB Citywide Ice Cream Social

Last Saturday, We Love Long Beach hosted their annual Citywide Ice Cream Social. There were 100 locations citywide, and I was able to stop by the 10 locations in our 4th district. Thank you to all the hosts and co-hosts for your hospitality and care of your neighbors as we beat the summer heat with ice cream! ## Artcraft Manor and Los Altos Power Outages

Sunday night, downed wires near Stearns/Lakewood and smoldering underground wires near Stearns/Radnor triggered power outages for more than 700 Artcraft Manor and Los Altos SCE customers. Service was restored around 1:00 am for nearly all of the affected residents. SCE work crews braved 100 degree temperatures on Monday to make the repairs to the damaged equipment. Next Wednesday afternoon, SCE will have a presentation at city hall to instruct council staff on the power outage process.

Underground power lines were repaired on Stearns St. near Radnor Ave.

Overhead power lines were repaired on Stearns St. west of Lakewood Blvd. was extinguished by LBFD

## Constituent Email Leads to 20 Free Billboards

Last Friday night, we received an email request for a billboard on the 10th Street corridor stating that fireworks are illegal in Long Beach. I followed up on Monday morning with call to Richard Montgomery, Gov't Affairs/Real Estate Manager for Lamar Advertising.

Richard liked the idea so much, he offered 20 Lamar billboards throughout the entire city... free of charge! We'll end up with four billboards in the 4th district on the 10th Street and Anaheim Street corridors. Thank you to Richard Montgomery and Lamar Advertising for this great public service, and thank you to our 4th district resident who took the time to contact us with such an excellent idea.

## Elder Abuse Prevention Workshop

On Tuesday morning, I spoke at the "Protect Yourself from Elder Abuse" workshop put

on by Safe Long Beach, the Long Beach Elder Abuse Prevention Team, Councilwoman Mungo's Office and my Office. The event included many great speakers and a valuable discussion. I look forward to working with these groups in the future for our Fourth District Senior Task force.

### **Cambodia Town Business Town Hall Meeting**

Last month at our Orizaba Community Meeting, residents expressed their concern about the recent break-ins and robberies on various businesses along Anaheim St. in Cambodia Town. The Fourth District office and the United Cambodian Community teamed up and organized a meeting with the community and the Long Beach Police Department. Both East and West Division officers were present to address the community's questions.

### **Congratulations to CD4's Misty May-Treanor**

This week, Olympic gold medalist (and 4th district resident) Misty May-Treanor was named Director of Volleyball Operations at Long Beach City College. She will oversee both the men's and women's volleyball programs and serve as head coach for the indoor women's volleyball team and the newly established women's beach volleyball team. You can read more at this [link](#). Go Misty, Go Vikings and Go Fourth!

### **Caltrans Clears Out Another Homeless Encampment**

On Tuesday, June 14th, Caltrans crews cleared out a homeless encampment on the north side of Los Coyotes Diagonal near the 405's Bellflower Blvd south off ramp. The eviction notice posted on a light pole listed eight CA penal code, vehicle code and municipal code violations. I stopped by and spoke to the "residents" leaving the encampment, and they indicated they had been offered services by our LB Homeless Services Team.

## Your Weekly News & Updates

### Temple Ave Water Main Project to be Completed Today

The weeks-long project to replace the 12-inch water main on Temple Ave., north of Anaheim St., is scheduled to be completed this afternoon. The final water connection will be to Brascia Builders next to Joe Jost's. Considering both businesses are in the same building, it was a mystery why Joe Jost's wasn't affected. Turns out the west side of the building is connected to the Temple water main, and the east side of the building is connected to the Anaheim water main. It was an interesting way they designed infrastructure nearly 100 years ago.

## WESCA Cleanup this Saturday from 8am to Noon

The "No Parking" signs are already in place along Orizaba Ave. to make way for the dumpster and staging area for discarded items. Area residents will be out with their pick up trucks, and Mike Brascia of Brascia Builders has volunteered to assist with his crew.

Please feel free to join us at the corner of 14th and Orizaba on Saturday morning starting at 8:00 am.

## Public Works Update - Repave Projects

With the new sidewalks and curbs complete, removal of the asphalt will begin next week on Park, Malta and Gish. In the Recreation Park neighborhoods, work is continuing on Roswell curb and sidewalk replacement. On the south and east sides of Bryant

Elementary School, work has commenced on curb and sidewalk replacement prior to the repave.

Bryant Elementary on Fountain Ave. will have new a sidewalk, curb and street

## Back-to-Back Meetings Cancelled

To accommodate the Municipal Band schedule, we have decided to cancel our Back-to-Back community meetings next week.

Actually, we took a vote at last month's meeting, and the attendees unanimously decided they would rather attend a band concert than our community meeting. The Long Beach Municipal Band will be performing at Whaley Park next Tuesday, June 28 at 6:30 pm.

## Fireworks are Illegal in Long Beach

The 4th of July holiday is a great day to spend with friends and family and celebrate this great country's independence. The Long Beach Police Department encourages those celebrating the holiday to do so in a safe and responsible manner. I am reminding residents and visitors that all fireworks, including those marked "Safe and Sane," are illegal in the City of Long Beach.

The Police Department will be out in force the days leading up to and on July 4th to ensure compliance with the Long Beach City Ordinance that bans fireworks. Anyone found in violation of the city ordinance may be cited or arrested. Those found in violation may be faced with a \$1,000 fine, sentenced to jail for six months, or both. The fines and penalties may increase depending on the fireworks' classification. Call the Long Beach Police Dispatch at (562) 435-6711 or 9-1-1 if you observe dangerous or illegal activities.
