United Cambodian Community Anniversary Gala

On Friday night, I attended the United Cambodian Community (UCC) 39th Anniversary Gala: Hidden City. The theme celebrated the discovery of the hidden city beneath Angkor Wat and highlighted our own hidden treasures here in Long Beach. Honorees included Dee Andrews of the 6th council district. Councilman Andrews and I share representation of Cambodia Town east and west of our Gardenia Avenue border. Thanks to the UCC for their many years of service to Long Beach.

Static Salon's Casino Night a Huge Success

October is Domestic Violence Awareness month, and Static Salon stepped up to help make a difference. In an effort to end domestic violence, they hosted a fun Casino Night benefiting The [WomensShelter of Long Beach](#) and the families they serve. I was happy to stop by and "ante up" for a good cause. Congratulations to Static Salon and The WomensShelter on this very successful fundraiser.

Final "State of the County" from Supervisor Don Knabe

On Wednesday, I attended the final State of the County address given by Supervisor Don Knabe. After 20 years as our Supervisor, following 15 years as Chief of Staff to former Supervisor Dean Dana, Don Knabe is retiring. He leaves behind an incredible record of public service to the the County's 4th Supervisorial District and our 4th Council District.

Most recently, "Knabe funds" were earmarked for CD4 parks including the Nature Center and new roof on the Stearns Park Community Center. Best wishes to Don and Julie Knabe for a long and happy retirement.

FIS Study Presented to Airport Advisory Commission

Last night, I attended the Airport Advisory Commission meeting to hear a report and public comment on the FIS Study. The meeting started at 6:30 pm and began with a presentation from Jacobs Engineering. That was followed by public comment from the audience. The meeting lasted over three hours, and an audio recording of the entire meeting is available at this [link](#). Jacobs Engineering will repeat their presentation at the Economic Development Commission meeting next Tuesday.

performance of Shipwrecked!, a theatrical high seas adventure. International City Theatre will donate a portion of each ticket sold under the code "SURFRIDER16" to the Long Beach Chapter. This is a great opportunity to support the Chapter, to mix it up and socialize with your fellow Surfriders and to get out for an evening of entertaining live theatre "in our own backyard" in Long Beach.

Written by Pulitzer Prize-winning playwright Donald Margulies, Shipwrecked! is a story of nautical hijinks based on the real-life autobiography of Louis de Rougemont, an intrepid 19th century maritime explorer who became an instant celebrity upon his return to civilization. The content of the play is family friendly so feel free to bring your children with you.
