

What's happening in the Fourth this week!

DARYL SUPERNAW
COUNCILMAN, FOURTH DISTRICT
CITY OF LONG BEACH
GO FOURTH!

October 28, 2016

Dear Neighbor,

Thank you for taking the time to read our Fourth District weekly newsletter. It is emailed every Friday afternoon and provides updates on past and future events throughout our council district. Please encourage your friends and neighbors to sign up to receive our publication by contacting the council office at: district4@longbeach.gov or (562) 570-4444.

Past Events

WESCA's Monthly Neighborhood Cleanup

On Saturday, West East Side Community Association (WESCA) hosted their monthly neighborhood cleanup. This community event was part of Long Beach Serves, a citywide volunteer campaign. Thank you to the various neighbors and city staff that came out to help! You truly did help make a difference in the neighborhood. The next WESCA cleanup will be on Saturday, November 19th. I hope to see you there!

AbilityFirst Celebrates 50th Year in Long Beach

On Saturday night, I attended the 50th Anniversary Celebration of AbilityFirst Long Beach. Fundraising at the event included a silent auction and live auction hosted by ABC7's Elex Michaelson. Special thanks to Marie Cady-Drummond for the invitation. The AbilityFirst Long Beach Center offers programs for children and adults with developmental disabilities, such as autism, cerebral palsy, Down syndrome and epilepsy. Please visit their [website](#) to learn more.

FIS Study Presented to Economic Development Commission

Tuesday night, Jacobs Engineering presented their FIS Study to the Economic

Development Commission as requested by the City Manager. I, along with Councilmen Austin and Uranga, watched from the audience. There were a couple of content changes from last week's presentation to the Airport Advisory Commission, but it was basically the same material. EDC Chair, Randal Hernandez, pointed out that the study did not isolate the economic impact to Long Beach. Instead, a broad area was used by Jacobs that included both Los Angeles and Orange Counties. Residents from Districts 3, 4, 5 and 8 spoke in opposition to the proposed facility. Speaking in support of the FIS were multiple JetBlue employees and airport area business owners. At this point, there is no set date for when the item will come before city council. We'll be sure to update you with that information in a future newsletter.

A Few Good Men Fundraiser for Ronald McDonald House

Wednesday night, I attended the 3rd Annual "A Few Good Men" Gala presented by the Miller Children's Hospital Long Beach Auxiliary. More than 700 guests enjoyed the night as eleven distinguished gentlemen strutted down a runway decked out in fashionable ensembles by the Fourth District's highly regarded men's store, Umberto International Clothier. The annual event raises money and awareness for the Long Beach Ronald McDonald House. This year, attendees donated over \$700,000 to provide comfort, care and support to thousands of families with seriously ill children receiving treatment. Through gifts of time, talent, and financial support, the Long Beach Ronald McDonald House is open 24 hours a day, 365 days a year, for the families of children facing critical, often life-threatening, illnesses.

LBDP Meeting at Orizaba

On Wednesday, the Long Beach Police Division hosted the first quarterly crime update. Both Commander Elizabeth Griffin and Lieutenant Joe Gaynor spoke about auto and residential burglaries and how to prevent them. They passed out [flyers](#) with the safety prevention tips and steering wheel clubs to all who attended. Thank you to the Commander and Lieutenant for their informative talks, and thank you to everyone who came out to the meeting.

Your Weekly News & Updates

Historical Society Tomorrow

The Historical Society of Long Beach presents its 21st Annual Historical Cemetery Tour TOMORROW, October 29, 2016. The Cemetery Tour is a unique daytime family event. Visitors are taken back in time to learn about Long Beach and its history through the voices of those "residing" in the cemeteries. Costumed actors perform the historical stories of those buried at the site. The first performance starts at 9:00 and they are given continuously until 2:40. Visitors are free to map their own itinerary of grave presentations with a self-guided tour. Tickets can be purchased [online](#) OR at the event.

WESCA Halloween Carnival

The West East Side Community Association (WESCA) is hosting their Annual Halloween Carnival on Monday, October 31st at Orizaba Park. Join us for an afternoon filled with candy, costumes and other Halloween activities.

Pancho's 50th Anniversary Next Tuesday

Pancho's Mexican Restaurant is celebrating their 50th year of continuous operation this year. Generations of

CD4 residents have enjoyed Pancho's since 1966, and we're celebrating on their actual opening anniversary date of November 1st. At 11:00 am, we'll present a certificate recognizing this very special accomplishment. Pancho's is located at 4925 E. Pacific Coast Highway just west of Clark Ave. Congratulations Pancho's!

Native American Heritage Month Celebration at City Hall

Next Tuesday night, November 1st, City Council will celebrate Native American Heritage Month. I am both proud and humbled to be able to sponsor this very special, inaugural event. Special thanks to LBFD Public Information Officer, Jake Heflin along with Craig Stone and Cindy Alvitre from CSULB for their work in organizing the celebration. See the flyer below or contact our CD4 office for additional information.

On the Council Agenda: November 1st

The city council meeting is scheduled to begin at 5 p.m. in the council chambers on the ground floor of City Hall, located at 333 W. Ocean Blvd. City council meetings are broadcasted live [online](#) and are also available on Channel 3 for Charter cable subscribers and Channel 21 for FIOS subscribers. Here are some of the topics that will be discussed at Tuesday's city council meeting:

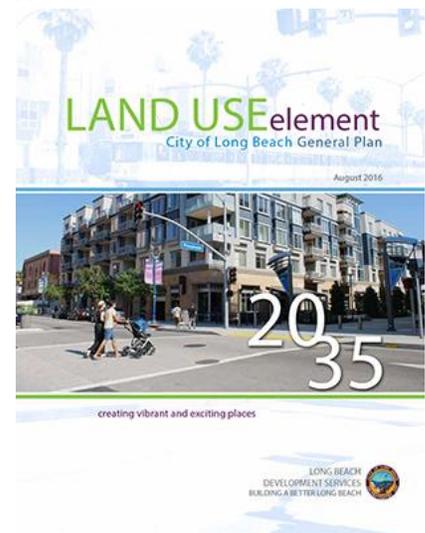

- The Council will consider entering into a contract with Bruel & Kjaer, EMS Inc. for the maintenance, upgrade and support of the Long Beach Airport Noise and Operations Monitoring Systems (ANOMS)
- The Council will discuss submitting grant applications to the Los Angeles County Regional Park and Open Space District for the Fourth Supervisorial District Excess Funds Programs. Grant funds would be utilized for the development of park projects in the City of Long Beach.

This is just a small selection of the topics to be covered at next week's city council meeting. The entire agenda can be found [here](#). To see the schedule and agenda for all upcoming city meetings, click [here](#).

Proposed Land Use and Urban Design Element

The City's General Plan is updated only once or twice in a generation. It has a major impact on how people live, work and play in Long Beach by guiding where housing can be built or added, where businesses can be located, where new park space can be created and more. The General Plan Land Use Element is the roadmap to the City's future that indicates allowable land uses, building types and heights. It is essential that this document capture the public's vision through 2035. The City of Long Beach invites you to attend a Land Use Element and Urban Design Element Open House on Wednesday, November 2, 2016, 5pm - 7pm at the First Congregational Church of Long Beach, 241 Cedar Ave. Free validated parking will be available in the Broadway Parking Structure. Please visit their [website](#) to learn more.

There are virtually no changes to the General Plan involving CD4. However, our district is somewhat unique in that it is segmented into three distinct Community Plan Areas: Central, Traffic Circle and Eastside.
