Excellence in the 33rd Senate District Awards

Wednesday night, I attended State Senator Ricardo Lara's Excellence in the 33rd Awards reception. This event honored individuals, non-profits and businesses in the 33rd California State Senate District. The Fourth District's very own Molino Pharmacy was honored at the event for serving residents in their native languages and bridging many cultural gaps to provide quality pharmaceutical consultation. In addition, AOC7, a neighborhood association that includes part of the Fourth District, was honored at the event. Congratulations to all the honorees!

Major Announcements on the Airport Noise Ordinance

Three weeks ago, in our July 21st newsletter, I expressed my concerns with LGB noise ordinance violations. I stated, "It is clearly time to look for solutions, and we're anticipating a major announcement on that front within the next 30 days." That announcement came yesterday, August 10th, in a press release from the Long Beach Airport (see below). It was preceded the day before by a separate press release on the consent decree from City Prosecutor, Doug Haubert (see below). While the announcements are, technically, unrelated, the common theme is that the noise ordinance (or consent decree) must be strengthened in order to curtail the late night curfew violations. Moving forward, the effort may be challenging, but we already have the support of the Press Telegram Editorial Board; Mayor Garcia; Airport Director, Jess Romo; City Attorney, Charles Parkin and City Prosecutor Doug Haubert.

LGB Announces Start of Process to Reduce Curfew Violations

Yesterday, Airport Director, Jess Romo, announced plans to begin the process to amend the noise ordinance. Proposed changes would include: (1) Increase the fines to be more in line with fines at other area airports. (2) Require the return of allocated air carrier flight slots for excessive and repeated noise violations. (3) Modify the minimum flight slot-use regulations to require increased utilization. (4) Ensure that the City maintains its grandfathered status under the federal Airport Noise and Capacity Act (ANCA). You view the Long Beach Airport press-release at this [link](#).

City Prosecutor Announces Increased Fines for Consent Decree

On Wednesday, City Prosecutor Doug Haubert announced that JetBlue has agreed to increase the amount it will pay under the Consent Decree to \$6,000 for each violation of Long Beach's Airport Noise Ordinance. The 2003 Consent Decree required JetBlue to pay \$3,000 for each violation up to six in a quarter, then \$6,000 for additional violations in the quarter. The new agreement is retroactive to July 1, 2017. The agreement between the City Prosecutor and JetBlue is available at this [link](#).

Read to a BARK Dog at Brewitt Library

Tomorrow, August 12th at 1:00 pm, BARK Dogs will be at the Brewitt Library. Children can meet a friendly dog and read to the dog from 1:00 pm to 2:00 pm. Founded in 2007, BARK is an all-volunteer program that encourages children to increase their reading skills and self-confidence by reading aloud to certified therapy dogs. Children might find it intimidating to read in front of others, but they love to read to these non-judgmental, calming dogs. The Brewitt Library is located at 4036 E. Anaheim Street.

100 Days of Summer

Long Beach Parks, Recreation and Marine encourages everyone to "stay and play" in Long Beach during the "100 Days of Summer" from Memorial Day to Labor Day. There is no reason to travel far or spend a lot of money to have fun with your family and friends.

Free concerts and movies, free family recreation programs, and activities at El Dorado Nature Center, Homeland Cultural Center, Rancho Los Alamitos and Rancho Los Cerritos are scheduled all summer long. There is also spontaneous fun available like biking, hiking, golf, tennis, kayaking, swimming and free drop-in youth and teen programs at local parks.

The City of Long Beach and the Long Beach Convention and Visitors Bureau will post hundreds of activities on www.100DaysOfSummer.org to make planning each of your 100 days easy and fun.

El Dorado Nature Center

Looking for a bit of nature in the middle of the city? Nestled between the San Gabriel River and the 605 Freeway, El Dorado Nature Center is an oasis of natural habitat, offering visitors the chance to escape the hustle and bustle of the urban environment.

The 105 acres that make up the Nature Center grounds provide sanctuary for animals and plant life. Two miles of dirt trails and a ¼ mile paved trail wind around two lakes, a stream and forested areas. At the entrance, cross over the wooden bridge that spans the lake and you'll find yourself on a small island that houses the Visitor Center, containing educational displays, art gallery and a small gift shop offering environmentally themed books and gifts.
