### Shoreline Symphonic Winds at Orizaba Park

Friday night, I attended the Shoreline Symphonic Winds, aka the Long Beach Community Band, performance at Orizaba Park. The Shoreline Symphonic Winds performed for an hour before the movie in the park. They featured popular movie and action themes like Superman, Raiders, Harry Potter, The Incredibles and Star Wars. I am looking forward to their performance at Stearns Champions Park on August 11th! Thank you to all the great musicians, Conductor Greg Flores, PRM staff and all who attended.

### #LBZIKACASPER

Last weekend, I joined the Health Department, LBPD and LBFD in a Zika Community Assessment for Public Health Emergency Response. We surveyed Long Beach residents to assess their knowledge of mosquito behavior, Zika, and how to protect against mosquito-borne illnesses. Thank you to all the participants and special thanks to the volunteers. For more information, please visit the Health Department's [website](#).

## Congratulations to LBLL Major All Stars

Thursday night, I attended the Long Beach Little League playoff game in the SoCal Divisional Tournament at Stearns Park. While the LBLL Major All Stars won't be moving on in the tournament, they are to be congratulated on an incredible season. They ended the year as one of the top four teams in Southern California, and that is an accomplishment the players, coaches, parents, volunteers and fans should cherish. Congratulations on a great season and on winning the Little League CA Section 5 All Star Championship!

## Zaferia Quarterly Breakfast

Tuesday morning, I attended the Quarterly Zaferia Breakfast. The East Anaheim Street Business Alliance had Mayor Robert Garcia and the Director of Public Works, Craig Beck, as their guest speakers. They discussed the safety and pedestrian access project coming to Anaheim Street. This project will break ground in early 2019, and there will be more

community meetings as the design process starts. Thank you to EASBA, Tracy Ames of the Red Leprechaun, the guest speakers and all the attendees for making this another successful Quarterly Breakfast!

## Rotary Club of Long Beach Centennial Celebration

Wednesday afternoon, I had the honor of speaking at the Rotary Club of Long Beach's Centennial Celebration. The event was held at the "ribbon of green" gem in the fourth council district, Rotary Centennial Park. In 2005, to celebrate the 100th anniversary of Rotary International, Long Beach Rotarians raised funds to build the park. Today, they hold monthly work parties to help clean and maintain the grounds. Thank you to Rotary Club of Long Beach for inviting me to be a part of the celebration.

## 100 Days of Summer

Long Beach Parks, Recreation and Marine encourages everyone to "stay and play" in Long Beach during the "100 Days of Summer" from Memorial Day to Labor Day. There is no reason to travel far or spend a lot of money to have fun with your family and friends.

Free concerts and movies, free family recreation programs, and activities at El Dorado Nature Center, Homeland Cultural Center, Rancho Los Alamitos and Rancho Los Cerritos are scheduled all summer long. There is also spontaneous fun available like biking, hiking, golf, tennis, kayaking, swimming and free drop-in youth and teen programs at local parks.

The City of Long Beach and the Long Beach Convention and Visitors Bureau will post hundreds of activities on [www.100DaysofSummer.org](http://www.100DaysofSummer.org) to make planning each of your 100 days easy and fun.

## El Dorado Nature Center

Looking for a bit of nature in the middle of the city? Nestled between the San Gabriel River and the 605 Freeway, El Dorado Nature Center is an oasis of natural habitat, offering visitors the chance to escape the hustle and bustle of the urban environment.

The 105 acres that make up the Nature Center grounds provide sanctuary for animals and plant life. Two miles of dirt trails and a ¼ mile paved trail wind around two lakes, a stream and forested areas. At the entrance, cross over the wooden bridge that spans the lake and you'll find yourself on a small island that houses the Visitor Center, containing educational displays, art gallery and a small gift shop offering environmentally themed books and gifts.
