Past Events

Zaferia Mixer at Tom's Automotive Service Center

On Wednesday, the East Anaheim Street Business Alliance (EASBA) hosted their monthly mixer at Tom's Automotive Service Center, 4401 E. Anaheim St. at Ximeno. There was a great turnout of local businesses owners and neighborhoods. We had a great time, and special thanks to Tom Bennett for hosting the event. Please visit the EASBA/Zaferia [website](#) for information on next month's mixer.

11th & Freeman Community Watch Group

Thursday evening, I attended a Community Watch Group in the Zaferia neighborhood.

Residents came together to discuss issues in their neighborhood. The Long Beach Police Department and Department of Health and Human Service were available to answer questions pertaining to crime and homelessness. Thank you to Veronique Willis and Jenny Tse for reaching out to our office and organizing this meeting.

Commander Liz Griffin, Officer Johnny Dodson and Homeless Services Officer Shannon Parker address the group

Illegal Fireworks Committee Meeting This Morning

Friday morning, our office attended the Illegal Fireworks Committee meeting to learn more about LBFD's plan for firework prevention for the Fourth of July holiday. Please be aware that all fireworks are illegal in the City of Long Beach including those marked as "Safe and Sane". The LBFD have been working with various city departments in getting the word out about fireworks. If you are already hearing fireworks in your neighborhood please call 911 or 562-435-6711 to report.

Deputy Chief and Fire Marshall, Richard Brandt, discusses LBFD's Fourth of July campaign

"All Fireworks Are Illegal" Billboard

Last month, the Fire Department asked me if Lamar Advertising would be willing to donate the same billboard space they provided last year for the "All Fireworks Are Illegal" campaign. One big problem... most of those billboards have been removed. I contacted Lamar Advertising, and they really stepped up to the plate with a solution. The notifications are now being displayed on an electronic billboard over the freeway. A huge thank you to Lamar Advertising. We appreciate this great public service to our community.

"All Fireworks are Illegal" Lawn Signs

The Long Beach Fire Department created lawn signs to help deter illegal fireworks in our neighborhoods. We loved the idea so much that we special ordered 100 signs for our district. We will be passing them out at the We Love Long Beach Ice Cream Socials, the Whaley Park Concert on June 27th and at our Fourth District Community Meeting on June 28th. You can also pick up a free lawn sign at the Long Beach Fire Department Headquarters (3205 Lakewood Blvd.) or the Neighborhood Resource Center (100 W. Broadway - Suite 550). Please help us raise awareness!

And Finally

Community Service Award Winner Follow Up

A lot of people were impressed with last's weeks story about "unarmed" hero, John Anciaux, physically subduing an "armed" suspect. He came to the aid of a pet store employee who was being threatened by a shoplifter. When the suspect brandished a knife, John, who is trained in mixed martial arts, was able to disarm the suspect.

I met John two nights after his heroic actions when he returned to the store for an event called "Puppy Playtime". As you can see by the photo, John is not a physically large individual... which makes his training and actions even more impressive. It's a good example of that old adage: "it's not the dog in the fight, it's the fight in the dog".

100 Days of Summer

Long Beach Parks, Recreation and Marine encourages everyone to "stay and play" in Long Beach during the "100 Days of Summer" from Memorial Day to Labor Day. There is no reason to travel far or spend a lot of money to have fun with your family and friends.

Free concerts and movies, free family recreation programs, and activities at El Dorado Nature Center, Homeland Cultural Center, Rancho Los Alamitos and Rancho Los Cerritos are scheduled all summer long. There is also spontaneous fun available like biking, hiking, golf, tennis, kayaking, swimming and free drop-in youth and teen programs at local parks.

The City of Long Beach and the Long Beach Convention and Visitors Bureau will post hundreds of activities on www.100DaysofSummer.org to make planning each of your 100 days easy and fun.

El Dorado Nature Center

Looking for a bit of nature in the middle of the city? Nestled between the San Gabriel River and the 605 Freeway, El Dorado Nature Center is an oasis of natural habitat, offering visitors the chance to escape the hustle and bustle of the urban environment.

The 105 acres that make up the Nature Center grounds provide sanctuary for animals and plant life. Two miles of dirt trails and a ¼ mile paved trail wind around two lakes, a stream and forested areas. At the entrance, cross over the wooden bridge that spans the lake and you'll find yourself on a small island that houses the Visitor Center, containing educational displays, art gallery and a small gift shop offering environmentally themed books and gifts.
