Past Events

Magic Show at Los Altos Library

Thursday afternoon, I stopped by the Los Altos Library to check out the Christopher T. not-so-traditional magic show. It was a packed house, and everyone was enjoying every moment. Several children's books were featured in the presentation, and there was a lot of audience participation and interaction.

Long Beach Area Chamber of Commerce 126th Gala

Last night, I attended the Chamber of Commerce Gala honoring the Long Beach area engineering industry. Moffatt & Nichol and P2S Engineering were the co-honorees. Special recognition also went to CSULB College of Engineering, MHP Structural Engineers, SCS Engineers and SPEC Services. Our council district was well represented with CD4 residents, Bruce MacRae delivering the invocation, and LaDonna DiCamillo leading the Pledge of Allegiance.

Atherton Border Between CD3 and CD4

Next Thursday night, Councilwoman Suzie Price and I will be attending the 52nd annual meeting of the Sovereign Park Estates HOA. These residences on the south side of Atherton east of Clark Ave. are in the 3rd district, but they are adjacent to the 4th district. CD4 shares a 4-mile border with CD3, and nowhere is that border "quirkier" than along the south side of Atherton between Fanwood and Clark. From east to west, CSULB is in the 3rd, but Whaley Park to Bellflower Blvd. is in the 4th. The AM/PM gas station is in the 4th, but the apartment building just west of it is in the 3rd. The Unitarian Church and Bouton Creek Park are in the 4th, but all the residences west of the park to Clark Ave. are in the 3rd. I think I'll defer to Councilwoman Price to provide that explanation at next week's meeting.

Movie in the Park: Sing!

Next Friday, June 30 there will be a Movie in the Park at Whaley Park. The featured film will be Sing. The movies and the popcorn are free. The time spent as a family is priceless. Movies in the Park begin at dusk. Bring a lawn chair, blanket, picnic style dinner, and family and friends. Movies in the Park are sponsored by Signal Hill Petroleum in cooperation with Partners of Parks.

"Just the Facts" on Publishing Our Go Fourth! Friday Newsletter

Our newsletter is emailed every Friday afternoon, but typing up the articles is a continual work in progress. We receive items of interest on a daily basis, and we try to provide our readers with key information related to the 4th council district. If you have an item you'd like to share, we want to hear from you. Please submit your article or idea via email, and type "Newsletter item" in the subject line. It is also helpful if you provide the date you would like it published, and that has to correspond to a Friday. Thanks, and we look forward to hearing from you.

And Finally

Wolfschmidt Vodka

Later this year in Paris, the Thomas Zander exhibition 09.12 Nov 2017 Grand Palais will feature the black & white photo below. It was taken by Anthony Hernandez as part of a series titled, "Waiting, Sitting, Fishing and Some Automobiles" (Los Angeles, 1978-1982). From the press release: "Hernandez applies the formal approach of landscape photography creating detailed compositions that illustrate socio-political inequalities."

You may not recognize the black & white photo as a Fourth District location, but it was taken on the north side of Pacific Coast Highway, just west of Termino Ave. facing west, and that's the famous Java Lanes cantilevered roof to the left. The color photo below it was taken from the exact same location. The Grand Ave. condos replaced Java Lanes, and the Bay Hill and Marbrisa residential buildings replaced the Wolfschmidt Vodka billboard.

100 Days of Summer

Long Beach Parks, Recreation and Marine encourages everyone to "stay and play" in Long Beach during the "100 Days of Summer" from Memorial Day to Labor Day. There is no reason to travel far or spend a lot of money to have fun with your family and friends.

Free concerts and movies, free family recreation programs, and activities at El Dorado Nature Center, Homeland Cultural Center, Rancho Los Alamitos and Rancho Los Cerritos are scheduled all summer long. There is also spontaneous fun available like biking, hiking, golf, tennis, kayaking, swimming and free drop-in youth and teen programs at local parks.

The City of Long Beach and the Long Beach Convention and Visitors Bureau will post hundreds of activities on www.100DaysOfSummer.org to make planning each of your 100 days easy and fun.

El Dorado Nature Center

Looking for a bit of nature in the middle of the city? Nestled between the San Gabriel River and the 605 Freeway, El Dorado Nature Center is an oasis of natural habitat, offering visitors the chance to escape the hustle and bustle of the urban environment.

The 105 acres that make up the Nature Center grounds provide sanctuary for animals

and plant life. Two miles of dirt trails and a ¼ mile paved trail wind around two lakes, a stream and forested areas. At the entrance, cross over the wooden bridge that spans the lake and you'll find yourself on a small island that houses the Visitor Center, containing educational displays, art gallery and a small gift shop offering environmentally themed books and gifts.
