CAA Meeting at City Hall

Monday afternoon, I met with the Cambodian Association of America's Substance Abuse Prevention team. CAA provides outreach education and recreational activities for youth and young adults to prevent substance abuse. Program services are focused on Asian/Pacific-Islander (API) youth age 12-18, and their families, living in the Long Beach area. Services include one-on-one and group counseling, mutual self-help groups, case management and treatment services for alcohol and drug use.

City Council Meeting Recap

It was my turn to lead the Pledge of Allegiance at Tuesday's council meeting, but I had lost my voice. So, I asked one of our favorite 4th District residents, Adriana Birdwell, to stand in for me. This was Adriana's second time leading us in the Pledge, and she did another great job. Special thanks to Adriana, her mom, Jill, and grandparents, Joan and Jim Miller, for participating Tuesday night. Adriana is one of the 154 children "safely surrendered" through the program established by former LA County Supervisor, Dan Knabe.

Councilman Andrews, Councilman Superaw, Adriana Birdwell, Jill Birdwell, Mayor Garcia and Vice Mayor Richardson

Later that evening, the City Council approved the appointment of Monique DeLaGarza as the new City Clerk. I was very pleased to support the appointment, and I commended Monique for having the confidence in her own abilities, and the strength of character, to reapply for the position. Local media have published articles about the appointment ([PressTelegram](#) & [LBPost](#)). Congratulations Monique!

Thursday morning, I helped present certificates and cash prizes to fifth grade students from Bryant Elementary who participated in an essay contest sponsored by Altrusa International and our Fourth Council District Office. Students were asked to write about a book that inspired them to become leaders. All the entries were excellent, and four top essays were selected as the best. We plan on having essay contests in the Fall and Spring at various schools in our council district. Thank you to Belinda Berry, Marie Cady Drummond and Charlene McDonald of Altrusa for organizing this fun and educational contest. Also thanks all the students who participated and to Principal Matt Hammond of Bryant Elementary. Congratulations to the four winners!

49th Annual LBPf Awards Ceremony

Last night, I attended the annual Long Beach Police Foundation awards ceremony held at the Carpenter Center. This year's event was unique because my own nominee, John Anciaux, received a Community Service Award. I nominated John for the award after hearing about his heroic actions last September. He came to the aid of a store clerk who was being threatened by a shoplifting suspect. When the suspect brandished a knife, John, who is trained in mixed martial arts, was able to physically subdue the suspect. Thank you, John Anciaux, for your courageous actions. Thanks, also, to the Long Beach Police Foundation recognizing John with this award.

Your Weekly News & Updates

Increased Traffic Around Blair Field This Weekend

The Long Beach Dirtbags are headed the NCAA Baseball Super Regional against the Cal State Fullerton Titans after defeating the Texas Long Horns last weekend. Games will begin at 3 p.m. Friday afternoon at Blair Field. The tournament goes through Sunday. For residents, that means traffic. If you can, avoid the area bounded by Anaheim and 7th streets, and Park Avenue and Pacific Coast Highway. Federation Drive, which bisects the park, will be closed to traffic. The parking entrance will be at the corner of Park Ave. and Deukmejian Drive. Th organizers are expecting a sold out crowd. While CSULB featured "Friday Night Fireworks" throughout the regular season, there are no fireworks shows scheduled this weekend.

WomenShelter of Long Beach Family Fun Day Tomorrow

And Finally

Historic Photo of Loma & Wilton Plane Crash Site

On April 17, 1945, a military plane crashed near the intersection of Wilton St. and Loma Ave. The pilot, Lt. Robert Hartung, had flown 35 missions over Germany during WWII, but he was killed in this routine training flight. In a final heroic act, he directed the disabled aircraft to the only open field. He managed to guide his plane away from Community Hospital to the east, Wilton Street houses and oil storage tanks to the south, oil derricks to the west and the City's water supply (and more oil derricks) to the north. With all the changes to the area, it's hard to imagine that the two photos below were taken from the same spot. However, there is one telltale sign: the same water storage tank just north of PCH at Loma can be seen in both photos.

100 Days of Summer

Long Beach Parks, Recreation and Marine encourages everyone to "stay and play" in Long Beach during the "100 Days of Summer" from Memorial Day to Labor Day. There is no reason to travel far or spend a lot of money to have fun with your family and friends.

Free concerts and movies, free family recreation programs, and activities at El Dorado Nature Center, Homeland Cultural Center, Rancho Los Alamitos and Rancho Los Cerritos are scheduled all summer long. There is also spontaneous fun available like biking, hiking, golf, tennis, kayaking, swimming and free drop-in youth and teen programs at local parks.

The City of Long Beach and the Long Beach Convention and Visitors Bureau will post hundreds of activities on www.100DaysOfSummer.org to make planning each of your 100 days easy and fun.

El Dorado Nature Center

Looking for a bit of nature in the middle of the city? Nestled between the San Gabriel River and the 605 Freeway, El Dorado Nature Center is an oasis of natural habitat, offering visitors the chance to escape the hustle and bustle of the urban environment.

The 105 acres that make up the Nature Center grounds provide sanctuary for animals and plant life. Two miles of dirt trails and a ¼ mile paved trail wind around two lakes, a stream and forested areas. At the entrance, cross over the wooden bridge that spans the lake and you'll find yourself on a small island that houses the Visitor Center, containing educational displays, art gallery and a small gift shop offering environmentally themed books and gifts.
