## Past Events

### Community Meeting with State Senator Janet Nguyen

At Wednesday's community meeting at the Los Altos Library, we were honored to have State Senator Janet Nguyen as our guest speaker. She covered many interesting topics including State legislation affecting the Land Use Element. Prior to the meeting, the Webelos "Vole Patrol" out of Pack 126 that meets at Minnie Gant Elementary participated in a Q&A with myself and Senator Nguyen. This fulfilled their requirement to prepare questions and meet with a government official to learn about good citizenship. Thanks to Senator Janet Nguyen and all the attendees for a great meeting.

### Halloween Safety Tips

With Halloween right around the corner, the Long Beach Police Department would like to encourage community members to practice the following safety tips to help ensure a fun and safe Halloween:

- Be sure your child's activities are age-appropriate
- All children should be accompanied by an adult

- Only visit homes that are well-lit and never go into a stranger's house
- Stay on the sidewalk and only cross at corners
- Stay in well populated areas and never cut through alleys or parks
- Apply reflective tape to your child's costume or use glow sticks for better visibility
- Use face paint rather than masks that may block your child's vision
- Map out your route ahead of time and carry a flash light with you
- Ensure tips of any props (pitchfork, sword, etc.) your child is carrying are smooth
- Be cautious of animals and keep your pet(s) indoors
- Inspect your child's candy before allowing them to eat it
- Report any suspicious or illegal activity by calling 9-1-1 immediately
- Motorists are advised to be extra cautious on Halloween night and to drive slowly
- Do not drink and drive; plan ahead and designate a driver or call for a ride

Reminder: The curfew law in Long Beach prohibits anyone 17-years-old or younger from being out past 10:00 p.m. without a parent/guardian, unless going to or returning home from work or an organized event supervised by an adult, without any detour or stop.

## El Dorado Nature Center

Looking for a bit of nature in the middle of the city? Nestled between the San Gabriel River and the 605 Freeway, El Dorado Nature Center is an oasis of natural habitat, offering visitors the chance to escape the hustle and bustle of the urban environment.

The 105 acres that make up the Nature Center grounds provide sanctuary for animals and plant life. Two miles of dirt trails and a  $\frac{1}{4}$  mile paved trail wind around two lakes, a stream and forested areas. At the entrance, cross over the wooden bridge that spans the lake and you'll find yourself on a small island that houses the Visitor Center, containing educational displays, art gallery and a small gift shop offering environmentally themed books and gifts.
