Hot Topics

Land Use Element & General Plan Update

Last Friday, we finally received the LUE maps that reflect the changes made at the March 6th city council meeting. You can view the final version of the CD4 map at this [link](#). This week, we received a follow-up City Manager memo and maps of all nine council districts available at this [link](#). Please contact our office if you have any questions regarding the CD4 map.

Community Hospital Update

Last Friday, we received great coverage of the nurses press event, and that was followed by a front page article in the [Press Telegram](#). Late Friday afternoon, we received a [memo](#) from the city manager outlining the latest developments. Yesterday, we met with city staff and the CEO of MemorialCare, John Bishop, for a status briefing. Next Monday, the "Save the ER" task force will meet at 5:00 pm at the VA Hospital. Details are at this [link](#).

THIS JUST IN... L. A. County Supervisor, Janice Hahn, has agendized a [CHLB motion](#) for next Tuesday's County Supervisors' meeting. If you'd like to attend the meeting to speak during public comment in support of the motion, contact our office for details.

Past Events

Prisk Elementary Cub Scouts at City Council

Tuesday night, we had the Den 8 Cub Scouts from Prisk Elementary lead the Pledge of Allegiance at City Council. Prior to the council meeting, we gave them a quick tour of City Hall. The scouts did a great job leading the Pledge, and I want to thank them for their hard work. Special thanks to Stacey Taylor Mack for organizing this visit.

Council's Own "March Madness" Concludes With a "Three-Peat"

If we were subject to a noise ordinance, city council would have been fined thousands for their late night operations. After going past midnight in back-to-back meetings on March 6th and March 13th, city council made it a trifecta on March 20th with a third consecutive overtime performance. Longtime council watchers have told us that is a record. At last Tuesday's meeting, public comment on the rent control item lasted nearly two hours, and that was after we set a time limit of 90 seconds per speaker... half the normal three minutes.

Dozens of speakers line up after 9:00 pm for their 90 seconds on rent control

Anaheim St. Corridor Jack in the Box Reopens

After a long closure due to a fire, the Jack in the Box in the Midtown Business Improvement District reopened this week. Owner, Lee Su, really pulled out all the stops and built a totally redesigned restaurant that's hardly recognizable from the original. This is a great improvement to Cambodia Town's main corridor, and we'll plan on participating in an official ribbon cutting in April.

Rain Related Auto Theft Alert From LBPD

Auto thefts typically increase in rainy weather. If possible, secure your vehicles' doors, windows and park in well-lit areas, preferably driveways or garages. Check on your car's status often.

Stearns Park Neighbor Association Meeting

Thursday night, we attended the Stearns Park Neighborhood Association meeting along with a large group of neighbors. The SPNA covers both the 4th & 5th district areas of the Artcraft Manor neighborhood. Guest speakers included Councilwoman Stacy Mungo, EPD Commander Erik Herzog and Officer Dean Pimentel from LBPD, Battalion Chief Robbie Grego and PIO Jake Heflin from LBFD, Marisol Barajas from the 70th Assembly District and myself.

We discussed a variety of topics including the Land Use Element, Community Hospital, traffic safety and neighborhood concerns. Thank you to SPNA President, Alexis Marrero, for inviting our office to participate and to the evening's MC, Vinnie Genovese.

Weekly Updates

WESCA Cleanup Tomorrow Morning

Tomorrow, the West East Side Community Association (WESCA) will be hosting their monthly neighborhood clean up. Volunteers are needed to work from 8:00 am to noon, and they could also use volunteers with

pick up trucks. Please come out and help make the neighborhood look great. Tools and supplies will be provided. They are accepting tires and electronic waste (anything with a cord). The cleanup will start at 8 am at 14th St. and Orizaba Ave. Please contact Casey Carver at Ccaseyacarver@aol.com if you have any questions.

Long Beach Grand Prix Inaugural 5k Run

On Sunday, April 8th, participants will have the unique opportunity to "run the course" on the Grand Prix race circuit - the first time the course has been open to a running

event in more than 35 years. The 5K course will start at the official Grand Prix start/finish line on Shoreline Drive, then head up Pine Avenue and Seaside Way, returning to Shoreline Drive on a two-lap tour of the circuit. The "early bird" entry fee is \$35. On April 7 and race day, April 8, the fee will be \$40. The entry fee entitles each paid runner a finisher medal, an inaugural Grand Prix 5K t-shirt and a complimentary Friday general admission ticket to the Toyota Grand Prix of Long Beach, a \$33 value. More information can be found [here](#).

Proximity to Earthquake Fault versus Soil Conditions

We've been asked: if Community Hospital sits near an earthquake fault line, how did it survive the 1933 earthquake with no damage? The answer may lie in the fact that soil conditions were more of a factor than proximity to the actual fault line. According to the City's 2016 Midtown Specific Plan Draft EIR, in the 1933 earthquake, "most of the spectacular damage was due to land fill, or deep water-soaked alluvium or sand, and to poorly-designed buildings. Minor disturbances of ground water, secondary cracks in the ground, and slight earth slumps occurred, but surface faulting was not observed." Evidence of this phenomenon can be found in the earthquake damage to Fire Station No. 5 pictured below. The fire station was located downhill from Community Hospital, further away from the fault line, but on a different type of soil.

Damage to rear of Fire Station No. 5 facing north on Newport Ave. just south of Anaheim St.
