Community Hospital Update - Closed Session

The May 15th City Council update we announced last week will actually be a closed session. Other than public comment, the proceedings will be held outside the council chamber due to the "real estate negotiations" aspect of the item. We are anticipating a full report from City staff on potential hospital operators, our recently-hired architectural firm and State legislation.

Earlier this week, City Council received an update from the City Manager listing a chronology of CHLB related events over the past six months. You can read the memo at this [link](#).

For ongoing updates on Community Hospital, please check the City's [website](#).

JetBlue Public Hearing Postponed Again

The JetBlue public hearing to consider the carrier's appeal of noise violation fines, originally scheduled for March 13th, then rescheduled for May 8th, was postponed again at the request of JetBlue. This item,

which is separate from the review of the Noise Ordinance fine structure, is specifically an appeal to City Council related to the Airport Director's decision to uphold fines applied to JetBlue for late night curfew violations. The 134-page supporting documentation is at this [link](#).

Recycle Your Bike Day at Whaley Park

Last Saturday, residents had the opportunity to donate their used bicycles at five locations throughout the city including Whaley Park as part of Long Beach's Bike Month celebration. In just three hours, from 9 am to noon, an amazing 37 bikes were dropped off at Whaley Park. Some were practically new, and one bike was actually ridden to the event. Thanks to all the residents who participated. Your bikes will be refurbished (if needed) and donated to charity.

Volleyball Champs Celebrate in District 4

After winning the NCAA title at UCLA Saturday night, the CSULB volleyball team returned home to a jubilant crowd at E.J. Malloy's in Los Altos. Fans lined Britton Drive in front of the restaurant to greet the team bus and shower the players with confetti. One lucky fan even got to hold the trophy for a photo op. It was a great night and a great tribute to the players and coaches. Congratulations to our 49er Volleyball Champs! Go Beach and Go Fourth!

LGB Runway 12-30 Closed for Rehabilitation

Runway 12-30, Long Beach Airport's main commercial runway, will be closed intermittently over an eight-day period this month for rehabilitation of critical areas. The runway was last reconstructed in 2004. The need for this work was initially identified during the recent, annual Federal Aviation Administration (FAA) inspection and has been monitored since then. In consultation with Airport Engineering staff, it was determined that it is vital to effect these repairs now. The runway closures will occur Monday, May 14th through Friday, May 25th. As a result, neighborhoods near the Airport may notice a change in aircraft flight activity. The closure schedule will be:
