Last Friday night, we recognized the 50th anniversary of the El Dorado Nature Center with a Summer Solstice Celebration. This family-friendly event (with crafts for the kids) honored the land and the people who helped make the Nature Center a very special place. Thanks to the El Dorado Regional Park and Nature Center staff for organizing this very special event and for inviting me to be a part of it.

Next month's clean-up will take place from 8 am to noon on Saturday, July 27th. Hope to see you there!

And Finally

Community Hospital Outdoor Dining - Then and Now

The photos below were taken 86 years apart, but they both include people affiliated with Community Hospital. There was no attempt to match the new photo with the old. The similarities in the images just randomly happened. The top photo was taken on the hospital grounds in the days following the 1933 earthquake. While Community Hospital sustained no earthquake damage, the protocol was to stay outdoors whenever possible. Doctors and nurses dined outside until the threat of aftershocks had ended. The lower photo was taken last month at the Rancho Los Alamitos Cottonwood Awards. Seated around the table are the new hospital CEO, Virg Narbutas, members of the CHLB Foundation Board of Directors, Barbara Moore and myself.
