Hot Topics

Community Hospital Update

This week's CHLB update is being provided by the Long Beach Business Journal. That is, we are posting a link to an article in the latest edition of the LBBJ. Staff Writer, Alena Maschke, wrote an excellent synopsis of progress on the hospital's reopening. She included quotes from MWN's John Molina and the City's John Keisler. The article also references updates from Diana Tang, Manager of Government Affairs for the City of Long Beach. You can access the entire article at this [link](#).

Past Events

Ebike Galaxy at PV and Stearns

May is National Bike Month, and May 5-11 is National Small Business Week. We decided to celebrate both with a visit to our CD4 electric bike store, Ebike Galaxy. The LBTW crew met me at the shop last week, and we interviewed

store owner, Nels Hansen, and LB Bike Ambassador, Tony Cruz. It is a beautiful store at 6400 E. Stearns with a huge selection of electric bikes. Tony Cruz called it "one of the premier bike shops here in Long Beach". Check out the video at the link below. Thanks to Nels and Tony for the interviews and to LBTV for another great video. You can visit Ebike Galaxy at: <https://www.facebook.com/Ebikegalaxy/>

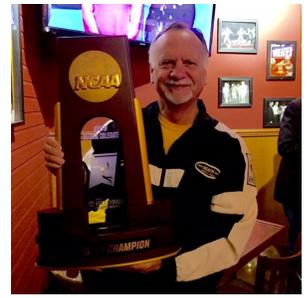

Recycle Your Bike, Taco Tuesday & Go Active LB

To kick off May Bike Month, our office participated in two events. The first was the Saturday's "Recycle Your Bike" event at Whaley Park. On Tuesday, Bike Ambassador Tony Cruz and I appeared in promotion for "bike to Taco Tuesday" at Great Mex on Atherton. Bike Month coincides with the launch of Go Active LB, formerly Bike Long Beach. Managed by Public Works, Go Active LB promotes walking, biking and other active transportation options. The new website, www.longbeach.gov/goactive/b, includes a variety of resources, safety tips, maps and much more.

Back-to-Back Champs Celebrate in District 4!

After winning their second straight NCAA title Saturday night, the CSULB men's volleyball team met a jubilant crowd at E.J. Malloy's in Los Altos. Fans lined Britton Drive to greet the team bus and shower the players with confetti. It was also de ja vu for one lucky fan who got a second photo op with the trophy. The celebration was a fun night and a great tribute to the players and coaches. Congrats to our 49er Men's Volleyball Champs! Go Beach and Go Fourth!

Musica Angelica's 26th Season

Monday night, I attended the annual Musica Angelica Gala fundraiser for the baroque orchestra. This year was a unique in that I was one of five council members, "The Five Tenors", honored for past support. Thanks to Musica Angelica's Board of Directors for the recognition. I'm pictured below with board member (and CD4 resident) Lana Farfán.

Long Beach Police & Fire Department Memorial

Tuesday morning, the Long Beach Police and Fire Departments hosted their annual memorial ceremony to honor those police officers and firefighters who have died in the line of duty. This

years event was particularly poignant as it was the first memorial since the line of duty death of LBFD Captain Dave Rosa. It also was the final ceremony held on the parkway, south of Shoreline Marina. Next year, with the completion of City Hall, a new memorial wall will be erected next to the new council chamber for future memorial ceremonies.

Captain Dave Rosa "10" Remembrance Shirts

June 25th will mark the 1-year anniversary that Captain Dave Rosa was shot and killed at Covenant Manor, while responding to a call for an explosion. The entire LBFD will be wearing memorial shirts on the anniversary of Captain Rosa's line-of-duty death. The shirts worn by the Firefighters are available for purchase by the public to show solidarity for the loss of Captain Rosa. The shirt sales are also a fundraiser for the signage of the "Captain Dave Rosa Memorial Highway", that will be on the 5 freeway, between Las Ramblas and the Ortega Hwy. The shirts are available at this [link](#).

LONG BEACH LAWN BOWLING

Next on the Council Agenda

May 14th | 5 pm | 333 W. Ocean Blvd.

The City Council meeting will start at 5 p.m. in the council chamber on the ground floor of City Hall, located at 333 W. Ocean Blvd. City council meetings are broadcast live online and are also available on Channel 3 for Charter cable subscribers and Channel 21 for FIOS subscribers. Here is one topic that will be discussed at Tuesday's city council meeting:

- The Council will discuss a recommendation to receive supporting documentation into the record, conclude the public hearing, and adopt resolution amending the Master Fee and Charges Schedule by adopting new fees relating to the shared micromobility program; Declare ordinance amending Section 10.51 of the Long Beach Municipal Code relating to shared micromobility, read the first time and laid over to the next regular meeting of the City Council for final reading; and Authorize City Manager, or his designee, to extend, at the City Manager's discretion, the current Electric Scooter Pilot Program for vendors that are working through the process for a permanent permit.
- The Council will consider a recommendation to receive a report on recommendations for streamlining City Council meetings; and Request City Attorney to prepare an ordinance amending the Long Beach Municipal Code governing the City Council meetings according to staff recommendations and City Council direction.

This is just a small selection of the topics to be covered at next week's city council meeting. Public comment is also available. The entire agenda can be found [here](#). To see the schedule and agenda for all upcoming city meetings, click [here](#).

And Finally

Brookside Winery... How Quickly They Forget

"Long Beach's first winery will be opening soon in Downtown". That's what the headline read this week in multiple publications, but we take exception to the statement. The distinction of "first" should go to the Brookside Winery that opened in 1974 near the corner of PCH and Ximeno. The building rendering below appeared in the Press Telegram on January 26th of that year. The accompanying text stated that Brookside was California's oldest continuously operating family business and founded in 1832. Their history included operating in California under three flags: Mexico (1832-1846), the California Bear (1846-1850) and the United States. While the winery was replaced with other tenants, the iconic mission style building stood for over forty years at 4515 E. PCH. Ultimately, after remaining vacant for several years, the building was demolished in 2016 to make way for new development. We did manage to salvage the round stained glass window that was under the eaves on the south side of the building. We are hoping to display it in our council office in the new city hall.
