Fire Engine 17 "Restoration Celebration"

On Monday, we celebrated Engine 17's return to service with a press event at Station 17. Thanks to all those who attended. Special thanks to Mayor Garcia, Councilwoman Mungo as the Budget Oversight Committee chair, committee members Suzie Price, Al Austin, City Council and City staff for making this restoration a priority. We also thank Chief Espino, his command staff and the entire LBFD for their support. We are all very proud that Engine 17 is back to enhance public safety in the area and throughout the city. The improved response times and expanded firefighting and emergency medical response will, once again, provide the service our residents deserve.

Supernaws Resting Easier at Sunnyside

Last week, I was contacted by the Press Telegram's Rich Archbold about my presentation this Saturday for the Historical Society fundraiser at Sunnyside Cemetery. I told him the talk is about my grandparents coming to Long Beach from the Midwest, but they were no different from the thousands of families that made the same journey. He also asked for the photos I use in the presentation, and he wove them into an article that appeared online and in Monday's newspaper. Many people have told me they really enjoyed reading the article, so we're posting the link here. I'll be making four presentations tomorrow on the half hour beginning at 11:30 am. Many thanks to Rich Archbold for a great job on the [article](#).

And Finally

Beany's Grand Opening - October 25, 1951

On this date, exactly 68 years ago, Beany's #2 Drive-In (actually a drive-thru) opened at the southeast corner of PCH and Ximeno. Beany's was the first drive-thru restaurant in the area and likely the entire city. Beany's founder, Merle Afflerbaugh, would be amazed to see the area today. With Raising Cane's opening on November 5th, there will be a total of ten drive-thru businesses near the traffic circle. Below is the Beany's ad that ran in the Press Telegram on October 25, 1951. Below the ad is a video of Beany's grand opening. It includes film clips of the restaurant owner, Merle Afflerbaugh and his family, the Circle Drive-In marquee, the Clock Restaurant where the new Carl's Jr. now sits and the Golden Drumstick Restaurant at the current Pep Boys location.

Grand Opening!

SATURDAY — OCT. 25 — 5 P. M.

Something NEW

On Friday, October 25th, the grand opening of what will soon be a well-known name in the Long Beach area. Beany's Drive-In opens its doors to the public at 5:00 p.m. on Saturday, October 25th. The drive-in is located at 4000 E. 14th St.

After over two years of building and planning, Beany's Drive-In is now open for business. The new drive-in is a good food, quick service, and friendly staff. How's that for a grand opening?

The manager, who is also the owner, is Mr. Beany. He has a lot to say about the drive-in. "Our Service Station" was the first drive-in in Long Beach. It was located at the corner of 40th and 14th. It was a success and we are proud to have it back.

On the new part, the drive-in will be given the same old, reliable service. There is no more in our low prices and high quality food. We have many specialties every phase of preparation, and the number of employees necessary to serve you. Contact our staff for a free menu and a list of our specialties. We invite you to check out our grand opening and see this wonderful new restaurant in operation. We know you will return again and again!
