Hot Topics

Restoration of Engine 17 and Rescue 22

Great news from the LBFD for Fourth District residents! We learned this week that Engine 17, located on the east side of Stearns Park, will be back in service on October 16th. We'll have an event at Station 17 on October 21st at 11:00 am to commemorate the restoration of E17 after being out of service for seven years. And there's more great news: Rescue 17 will remain serving the 4th district as it is reassigned to Station 22 at Atherton and Palo Verde with a designation of Paramedic Rescue 22. All the details of the E17 restoration and R17 relocation are outlined in Chief Espino's memo at this [link](#).

New Go Fourth! Reusable Bags

We've just received a limited supply of reusable grocery bags that we offer free of charge. The new bright orange color is perfect for for trick-or-treating, grocery shopping or for toting the "cutest pumpkin in the patch". The bags will be available at the CD4 City Hall office, our Los Altos Library community meeting on October 30th or by contacting us at district4@longbeach.gov.

Past Events

Long Beach Relocation Ordinance versus AB 1482

Our office has received an number of inquiries, from both tenants and landlords, concerning the City Relocation Ordinance and Assembly Bill 1482, the State Tenant Protections Act. The local ordinance was effective on August 1, 2019, and the State legislation is expected to go into effect on January 1, 2020. Questions immediately arose as to the differences, so we asked the City Manager and City Attorney to analyze the State legislation and provide us some guidelines we can share with constituents. Details of that

analysis will appear in upcoming newsletters. While there appears to be no instances where both laws cannot apply, it would be a very complex application.

43rd Condit Club Recognition Event

Last night, I attended the Condit Club Recognition reception hosted by the Community Hospital Foundation and Keesal, Young & Logan. The Fillmore Condit Founder's Club has raised over \$40 million dollars for Community Hospital in the 42 years of their existence. Among those recognized at the "Benefactor Level" was Diane Owen. She is pictured below with (l to r) Bob Stemler of KYL, Councilman Supernaw, Virg Narbutas, CEO of Community Hospital, Ray Burton, Diane Dewalsche and Matthew Faulkner of the CHLB Foundation. Thanks to all last night's attendees, and special thanks to all the award recipients.

And Finally

10-4 Day

Readers of our Go Fourth! Friday newsletter know that Jack Webb, aka Sgt. Joe Friday, makes an appearance in every issue. In consideration of today's date, 10/4, we felt obligated to recognize another actor whose character was synonymous with the term "10-4". That was Broderick Crawford who played Lt. Dan Matthews in the television series, Highway Patrol. Both Dragnet and Highway Patrol premiered in the 1950's, and Dragnet had a second run in the late 1960's. Broderick Crawford was an Oscar-winning film actor who made the successful move to television. If you've never heard Dan Matthews' "staccato" style delivery (similar to Joe Friday's), check out the 22-second video clip below. 10-4?
