

PROGRAM PARTICIPANT CONSENT FORM

The mission of “**Why’d You Stop Me?**” is to reduce acts of violence between the police and the community. This interactive and powerful presentation is based off the simple equation:

$$E + R = O$$

“Events” occur in our life. How we chose to “React” to these events is what determines the “Outcome” of each situation. A positive reaction to ANY event should produce a positive outcome. We believe that our program helps participants positively react in the event they come into contact with a police officer and in turn creates safer communities.

Dear Parent or Guardian,
