Long Beach, CA 90802

In preparation for the grand opening celebration of the new "2nd & PCH" retail center, the City of Long Beach Office of Special Events and Filming has approved a temporary use permit that will accommodate employee parking in the public parking area of Basin 3 in Alamitos Bay Marina. This special accommodation will only be during this week's special events planned for Thursday, October 24th thru Saturday, October 26th.

The special event permit does not include parking reserved for boat owners or parking for patrons of the marina and businesses. A security guard will be on-site to ensure that the parking areas reserved for boat owners are not infringed and direct patrons of the shopping center to the appropriate parking structures at "2nd and PCH". As part of the Special Event permit, if parking at the at "2nd and PCH" reaches full capacity, patrons will be re-directed via electronic signs to Cal-State Long Beach, where shuttles will provide transportation between the university and "2nd and PCH".

Employees of "2nd and PCH" will be provided special placards that will be required to be displayed on vehicle dashboards. This special event parking accommodation is only for the grand opening special events festivities and will not be allowed on any other dates. The special event employee parking will be for approximately 400 parking spaces of the total 721 parking spaces in Alamitos Bay Basin 3 parking area.

For any questions about the parking at Alamitos Bay Marina for this special event, please contact the Economic Development Department, Jose Fierros at (562) 570-5385 or Jose.Fierros@longbeach.gov
