## INSURANCE AND LEAVE BENEFITS

### UNEMPLOYMENT INSURANCE (UI)

If an employer has reduced a worker's hours, furloughed workers or laid off workers due to COVID-19, the workers can file for Unemployment Insurance (UI). Workers who have become unemployed or partially unemployed may file a UI claim. UI benefits generally range from \$400 to \$1,000 per week for up to six months, and may be extended.

### DISABILITY INSURANCE (DI)

Workers who are unable to work due to having been exposed to COVID-19 (certified by a medical professional) can file a Disability Insurance (DI) claim. DI provides short-term benefit payments to eligible workers who have full or partial loss of wages due to a non-work-related illness, injury or pregnancy. Benefit amounts are approximately 60-70 percent of wages (depending on income) and range from \$50 to \$1,300 a week.

### PAID FAMILY LEAVE (PFL)

Workers who are unable to work because they are caring for an ill or quarantined family member with COVID-19 (certified by a medical professional) can file a Paid Family Leave (PFL) claim. PFL provides up to six weeks of benefit payments to eligible workers who have a full or partial loss of wages because they need time off work to care for a seriously ill family member or to bond with a new child. Benefit amounts are approximately 60-70 percent of wages (depending on income) and range from \$50 to \$1,300 a week.
