## TERMS AND CONDITIONS

**Indemnification:** Contractor shall indemnify, hold harmless and defend the City of Long Beach and Center for Sustainable Energy (CSE) and its officers, officials, directors, employees, agents and volunteers from damages, losses, expenses, penalties, injury, death of persons, violations of law or regulation, fines and costs, including reasonable attorneys' fees and court costs, to the extent arising out of the performance of the work and Services caused by any negligent act, errors or omission or the misconduct on the part of Contractor and/or any of Contractor's officers, officials, directors, employees, agents, and volunteers or sub-Consultants, except to the extent caused by the sole negligence or willful misconduct of the City of Long Beach or CSE. The City of Long Beach and/or CSE may, at its own election, conduct its defense, or participate in the defense of any claim demand related in any way to the Agreement. If the City of Long Beach and/or CSE chooses at its own election to conduct its own defense, participate in its own defense or obtain independent legal counsel in defense of any claim, demand or liability related to Contractor's acts or omissions under this Agreement (including without limitation, Contractor's failure to indemnify as required herein), Contractor agrees to pay the reasonable value of attorney's fees and all costs associated with the defense.

**Conformance with Rules and Regulations:** In performing all activities in connection with this Application and program, Contractor shall abide by and conform to any applicable laws of the City of Long Beach, State of California, and the United States government as now exists or may hereafter be adopted or amended. Contractor also agrees to adhere to and follow any other requirements established by the Program Handbook.

**Licenses and Permits:** Contractor represents and warrants it has all licenses, permits, qualifications and approvals of whatever nature that are legally required for Contractor and its employees, agents and Contractor to practice its profession. Contractor represents and warrants to CSE and the City of Long Beach that it, at its sole cost and expense, shall keep in effect at all times during the term of this Agreement any licenses, permits, and approvals that are required for Contractor and any of Contractor's employees, agents or Consultants to practice its profession and perform the Services.

**Insurance:** Contractor represents and warrants it has acquired and shall maintain any and all all insurance required by permit, license, or law to install Solar Thermal Hot Water systems, including any required workers compensation insurance for itself and employees.

**Solar Hot Water Heater System Requirements:** Contractor warrants that any Solar Thermal Hot Water systems installed where a rebate claim is made to the City of Long Beach Solar Water Heating Rebate Program will be in accordance with program requirements, as described in the Program Handbook.
