ARTICLE ONE
MEMORANDUM OF UNDERSTANDING

Section I – Parties to Memorandum of Understanding

This Memorandum of Understanding (“MOU”) is made and entered into by and between the City of Long Beach, a Municipal Corporation (“City”), and the Long Beach City Employees’ Local Lodge 1930, District Lodge 947, International Association of Machinists and Aerospace Workers, AFL-CIO (“Union”) pursuant to Government Code Sections 3500 et seq.

Section II – Recognition

The City hereby recognizes the Union as the exclusive representative for those employees employed by the City in the classifications referenced in Appendix A of this MOU, subject to the applicable provisions of the law.

Section III – Purpose

It is the purpose of this MOU to promote and provide for harmonious relations, cooperation, and understanding between the City and the employees covered herein, to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this MOU; and to set forth the understanding of the parties reached as a result of good faith negotiations.

Section IV – Nondiscrimination

- A. The parties mutually recognize and agree to fully protect the rights of all employees to join and participate in the activities of the Union or to have the Union represent them in their employment relations with the City. It is further agreed that nothing herein shall prohibit an employee from representing himself/herself individually or appearing on his/her own behalf with the City. No employee shall be intimidated, coerced, restrained, or discriminated against because of the exercise of these rights.

- B. The provisions of this MOU shall be applied equally to all employees, and no person shall be benefited or discriminated against in any manner which is inconsistent with the standards set forth in federal and California statutes or with any ordinance, resolution, or rule of the City. Alleged violations of this Section (IV-B) are not grievable under the Grievance Procedure. An employee may pursue alleged discrimination through procedures established by the Department of Human Resources or Civil Service, and shall be entitled to pursue California or federal statutory rights.

Section V – Employee Organizational Rights and Responsibilities

A. Dues and Benefit Deductions Program

1. During the term of this MOU, upon receipt of an executed voluntary written authorization, the City shall deduct Union dues (not to exceed the current 39-hourly wage brackets) and benefit program premiums from the pay of employees represented by the Union. The form for this purpose shall be provided by the City and the amounts to be deducted for Union dues and benefit program premiums shall be certified to the City by the designated Union official. For such purposes, the City shall charge the Union for each employee five and one-half cents (\$.055) per deduction for Union dues and five and one-half cents (\$.055) per deduction for all other deductions. The deductions shall be made twice a month.
2. The Union hereby agrees to indemnify and hold the City harmless for any loss or damages, claims, or causes of action, arising from the operation of this provision of the Agreement.
3. The City shall have no obligation to modify the manner in which it currently makes deductions on behalf of the Union.
4. Employees who are dues-paying members of the IAMAW may cancel payroll deductions only in the month of September each year. The Union shall assume responsibility of notifying current and future members of this requirement. The Union's membership application form shall contain a written notice of this membership requirement.

B. Union Employee Representative (Union Officers, Shop Stewards, and Site Representatives)

A current list of Union employee representatives (Union Officers, Shop Stewards, and Site Representatives) and the bureau(s)/department(s) and/or bargaining unit which they represent, shall be submitted to the Director of Human Resources ("Director"). Any changes to this list shall be submitted with the same required information as stated above, to the Director within ten (10) working days following such changes.

C. Notification of Job Classification Changes

The City shall notify the Union and provide a copy of any proposed changes in the duty statement for existing classifications represented by the Union as far in advance as possible but not less than ten (10) working days prior to consideration by the Civil Service Commission. The parties shall meet and confer in accordance with provisions of the Government Code regarding the impact of the proposed changes in the duty statements and attempt to reach agreement prior to

consideration by the Civil Service Commission. In the event agreement is not reached, either party may address the Civil Service Commission on the matter. Per Government Code section 3505, meet and confer in good faith means that a public agency, or such representatives as it may designate, and representatives of recognized employee organizations, shall have the mutual obligation personally to meet and confer promptly upon request by either party and continue for a reasonable period of time in order to exchange freely information, opinions, and proposals, and to endeavor to reach agreement on matters within the scope of representation.

D. Notification of Changes in Work Rules

Whenever written departmental work rules, regulations, or policies are established, or changes made in existing department work rules affecting conditions of employment, the City shall give the Union reasonable notice as far in advance as possible but not less than ten (10) working days prior to placing the new rules, or changes in such existing rules, into effect and where requested, meet and confer in good faith. Per Government Code section 3505, meet and confer in good faith means that a public agency, or such representatives as it may designate, and representatives of recognized employee organizations, shall have the mutual obligation personally to meet and confer promptly upon request by either party and continue for a reasonable period of time in order to exchange freely information, opinions, and proposals, and to endeavor to reach agreement on matters within the scope of representation. These notices of changes are not intended to impede the normal day-to-day operation, but are intended to improve communication between the Union, the City, and the employees.

E. Representational Time-Off

1. Pursuant to relevant Government Code Sections, the City shall allow a reasonable number of Union employee representatives (Union Officers, Shop Stewards, and Site Representatives), and/or employees, as needed, reasonable time off without loss of compensation or other benefits while formally meeting and conferring with representatives of the City on matters within the scope of representation as defined in the Government Code, or as may be required under Article VII, Grievance Procedure.
2. Each fiscal year, the Union shall receive a bank of 1,000 hours to be used for general Union business. The Union or President shall provide the Director with a monthly accounting of how this time is being used listing name, department, date, and work hours used, rounded off to 12-minute increments. Unused time shall be carried over to future fiscal years. Employees using Union time must give notice and receive prior approval. Approval will not be unreasonably withheld except for operational demands. Sufficient advance notice is required if the request for time off exceeds one workday.

F. Local Lodge President

1. The Union will be permitted release time for a current City employee serving as a full-time local lodge President. Hours for the local lodge President shall be reported and compensated as paid leave time (OL-Other Leave). This release time will be at no cost to the City. Recovery of the costs for salary and benefits will be accomplished in the following manner:
 - a. Each January 1st, the City will deduct one (1) hour of vacation leave from the leave account of every permanent full-time and permanent part-time employee to recover the costs for salary and benefits for a full-time employee released to serve as local lodge President.
 - b. If a local lodge President is not a current City employee, no such deduction shall be made.
 - c. If a local lodge President is a current permanent part-time employee, the City shall prorate the leave time to recover the full costs for salary and benefits. Deductions in excess of those required to cover costs for salary and benefits shall be credited to the bank for Union business described in Section V, E.2 above, not to exceed 500 additional hours at the end of the fiscal year.
 - d. If the full-time/part-time status of the local lodge President is changed after the deduction of the vacation leave, and sufficient hours were not captured to recover the salary and benefits of the local lodge President, another prorated deduction will occur the next October to recover the difference.

G. Bulletin Boards

A reasonable number of bulletin boards will be provided upon which the Union may post notices of official Union business which may include recreational and social affairs, notices of meetings, benefit programs, trips, elections, appointments, and results of elections, excerpts from the Salary Resolution and Personnel Ordinance, bulletins of employee rights, notices of City Council and Civil Service Commission actions, notices of employer/employee-relations updates, and reports of grievance and arbitration matters, provided that any notice must be on official Union-identified paper and a copy sent to the Director. Each item to be posted shall have a remove-by-date, except for those items designated by the Union for permanent posting. No department shall arbitrarily remove said posting without consent of the Union (except for dated material). In any event, no posting shall contain any material scurrilous or derogatory about any City employee or elected official and no campaign information shall be posted except for the internal union elections. The posting of any other classes of notices at City workstations or premises is prohibited without the prior permission of the City Manager or the Director.

H. Work Access and Distribution of Notices

1. Definitions: "Working or work locations" are those areas where actual work duties are performed. "Non-working or non-work locations" are those areas where most employees are free to use the area for non-work activities. "Working time" or "working hours" refers to periods when employees are performing actual job duties which do not include employees' own time such as lunch or break periods.
2. Union Access to Work Locations During Working Hours: Authorized Union representatives, (Union International Representatives, Business Representatives, Union Officers, Shop Stewards, and Site Representatives), pursuant to Article One Section V-B, shall be given access to work locations during working hours to conduct Union grievances, to conduct investigations in connection with Union grievances, and to observe working conditions in connection with Union grievances, so long as it is not unreasonably disruptive of normal working processes. The Union representative(s) desiring access to a work location during working hours shall state the purpose of his/her visit and request authorization of the department head or designee(s) a reasonable amount of time before the intended visit unless the parties mutually agree to waive notice. Reasonable notice shall be defined as 24 hours in advance whenever possible. However, it is not unreasonable to give less notice when the situation merits immediate access. If the request is denied, an alternative to the requested time will be provided. Management may deny access if it feels it will unreasonably interfere with work. The Union agrees that its representatives will not purposely interfere with the operations of departments or any facility thereof or attempt to access work areas or facilities that were not authorized. The Union representative must advise management when he/she has arrived on site.
3. The Union shall give to all Department Heads with employees in this unit, and to the Director, a written list of all authorized representatives, which shall be kept current by the Union. Access to work locations will only be granted to representatives on the list. The City shall give the Union the contact information of the Department Head or designee for purposes of notification.
4. In addition, authorized Union representatives may have access to conference rooms and/or City facilities with seventy-two (72) hours advance notice and the approval of the Department Head or designee and the Director of Human Resources or designee. Exceptions to the seventy-two (72) hour requirement may be granted by the Director of Human Resources or designee.
5. The distribution of any written or printed notices, cards, pamphlets, or literature of any kind at City workstations or premises is prohibited without the prior permission of the City Manager or the Director. Any written information to be distributed to employees must be furnished to management.

6. The City will designate the appropriate Citywide new employee or Departmental-wide new employee orientation meeting where the Union may set up an "information table" and meet with new IAM represented employees at the end of the new employee orientations to provide information to new employees on the new employee's unpaid time. The City will provide notification to the Union of the designated Citywide new employee orientation or Departmental-wide new employee orientation as far in advance as possible. The Union shall notify the City as far in advance as possible if the Union intends to have an information table.

I. Representational Information

The City shall provide the Union with the following information, unless an employee notifies the City in writing that he/she does not want the information released.

1. A monthly electronic report which shall list the following information for each employee:

Name, phone number, occupation code and title, Union membership dues amount, department/bureau, division, home address, birth date, age, sex, part-time/full-time, bargaining unit code, original date of employment, monthly salary equivalent, and a total for all other Union deductions. The City shall provide the Union, at their request, two additional runs of this listing (hardcopy) and electronic report in any fiscal year.

2. A bi-weekly listing (electronic report) of dues and all other deductions.

3. An annual report, which averages the hourly rate (including skill pay) for dues-paying Union represented employees on August 31 of each year, will be provided in hardcopy no later than September 30 of each year.

J. Investigations

An employee required to attend an investigatory interview with the employee's supervisor(s) is entitled to Union representation where the employee has a reasonable basis to believe that he or she may be disciplined as a result from the meeting. The employee must request Union representation. The right to Union representation does not apply to an investigatory meeting concerning another employee's conduct where the employee questioned at the meeting is a witness to the incident or has possible knowledge of the incident. The right to Union representation does not apply in coaching and mentoring sessions, where the employee is given work performance direction, assistance or guidance from his/her supervisors. For non-investigatory meetings, the City shall comply with all applicable laws, including the Meyers-Milias-Brown Act, Government Code section 3500 et seq.

Section VI – City Obligations and Responsibilities

A. City Obligations

The City reserves, retains, and is vested with all rights to manage the City. The constitutional, statutory, charter, or inherent rights, powers, authority, and functions shall remain exclusively vested with the City pursuant to Government Code Section 3500 et seq. These rights include but are not limited to the following:

1. To manage the City.
2. To determine the necessity, organization, and standards to implement any service or activity conducted by the City.
3. To recruit, select, hire, evaluate, promote, and discipline.
4. To determine and/or change the City facilities, methods, technology, equipment, and apparatus.
5. To determine and/or change the size and composition of the City work force and assign work to employees.
6. To determine the issues of public policy and the overall mission of the City.
7. To maintain order and efficiency in City facilities and operations.
8. To establish and promulgate and/or modify rules and regulations, policies and procedures related to safety and health in the City, and to require compliance therewith.
9. In the case of an emergency (act of God, war, or riot), suspend the provisions of this Agreement.
10. All rights, powers, authority, and functions of management, whether heretofore or hereinafter exercised, shall remain vested exclusively with the City.
11. Contracting, Outsourcing or In-Sourcing

The City agrees to comply with the provisions of the Meyers-Milias-Brown Act, Government Code Section 3500 et. seq., before it contracts out work or transfers out work to non-bargaining unit employees where the work is regularly performed by bargaining unit

employees. The City also agrees to comply with the provisions of Section 1806 of the Long Beach City Charter.

B. Definition of City Obligations

The intent of the parties to this MOU is that the contractual attempt to define City obligations and responsibilities does not, and is in no way intended to, diminish the rights of the Union.

The Union reserves, retains, and is vested with all rights applicable under California and/or federal law or as contained in this MOU.

Section VII – Amendments to Personnel Policies and Procedures and Department Rules and Regulations

It is understood and agreed that there exists within the City, in written form, Personnel Policies and Procedures and Departmental Rules and Regulations. Except as specifically modified by this MOU, these rules, regulations, and Policies and Procedures, and any subsequent amendments thereto, shall be in full force and effect during the term of this MOU. Before any new or subsequent amendments to these Personnel Policies and Procedures or Departmental Rules and Regulations, directly affecting wages, hours, and terms and conditions of employment are implemented, the City shall meet with the Union regarding the changes in accordance with Government Code Sections 3500 et seq. Per Government Code section 3505, meet and confer in good faith means that a public agency, or such representatives as it may designate, and representatives of recognized employee organizations, shall have the mutual obligation personally to meet and confer promptly upon request by either party and continue for a reasonable period of time in order to exchange freely information, opinions, and proposals, and to endeavor to reach agreement on matters within the scope of representation. Nothing provided herein shall prevent the City from implementing rules and regulations provided it has met with the Union as required by law. Employee wages and fringe benefits will not be reduced unless agreed to by the Union.

Each Department shall post on its bulletin board information on the links to the Civil Service and Human Resources Departments of the City where current information on the employee-employer relationship can be obtained through the Internet.

Upon written or electronic request of the Union, any such information not found on, or linked to, the Internet, shall be provided to the union either electronically or posted on the Internet within 10 business days of the request. Any request for an extension to respond shall not be unreasonably denied.

If an employee's regularly assigned essential job duties are significantly impacted by the introduction of new technology, the impacted employee shall receive appropriate training on the new equipment or new technology.

If technological change results in a reduction in force of employees covered by this Agreement, the City will make reasonable efforts to provide retraining and/or alternate job placement within the City for all affected incumbent employees.

Section VIII – Peaceful Performance of City Services

For the life of the Agreement, the Union, its officers, and/or members agree that they will not cause, condone, or participate in any concerted effort which affects the performance of their assigned duties and responsibilities. This shall include the withholding of services or other interference with City operations, including compliance with the request of other employees and/or labor organizations to engage in said activities.

The City may take whatever action is deemed appropriate provided it does not violate any employee's rights under applicable statutes.

In the event of any concerted effort, the President or authorized representative of the Union shall, within twenty-four (24) hours, publicly disavow such conduct and request the employees to return to work and attempt to bring about prompt resumption of normal operations. The Union shall notify the City within twenty-four (24) hours after the commencement of such work interruption as to the measures taken to comply with these provisions.

This Section VIII shall not be interpreted to limit an employee's statutory or constitutional rights.

ARTICLE TWO
SALARIES AND COMPENSATION

Section I – Classifications – Pay Rates – Salary Increases

A. Listing of Classifications and Rates of Pay

Every person appointed to the classifications identified in Appendix A shall receive as full compensation for his or her services, together with any other form of compensation provided for in this MOU, the salaries computed in accordance with the Pay Rate Schedule A established for such classifications as set forth in Appendix B attached.

B. General Salary Increase

1. Salary Ranges

The Salary Resolution will be amended to provide for the following salary increases for all represented employees included in Section 1.A above on the effective dates indicated:

10/01/2016 – 2%

10/01/2017 – 2%

10/01/2018 – 2%

2. The provisions of Article Two, Section I.B.1 shall not be subject to Article Seven, Grievance Procedures, of the MOU.

C. “Me Too” Provision

The City agrees that if it reaches agreement with any bargaining unit, excluding LBPOA, LBFFA and LGA, that provides a Net General Wage Increase(s) in excess of the cumulative Net General Wage Increase(s) provided to IAM during the term October 1, 2016 to September 30, 2019, the City shall provide the same cumulative Net General Wage Increase to IAM as provided to the other bargaining unit. General Wage Increase is defined as an across-the-board wage increase for all members of a bargaining unit that is not based on performance. Net General Wage Increase is defined as the General Wage Increase minus any employee contribution(s) to the employer-cost of CalPERS pension benefits from October 1, 2016 to September 30, 2019

D. Performance Increases

Step increases will be based on performance as set forth below:

1. Step Advancement

Subject to satisfactory performance, as set forth in Section 2 below, after an employee has served an initial six-month period of employment in a position at a pay rate designated as Pay Rate Step 1 in the salary schedule established by Section 2 of this resolution, the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 2; after a second six-month period of satisfactory performance of employment, the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 3; and after another six-month period of satisfactory performance Pay Rate Step 4. Thereafter, the pay rate of such employee shall successively be at the applicable pay rate respectively designated as Pay Rate 5, 6, or 7 upon his/her successive completion of a one-year period of employment at the preceding pay rate. If the initial salary of any employee has been specifically designated at a pay rate other than Pay Rate Step 1, 2 or 3, his/her pay rate thereafter, shall, upon his/her successful completion of a one-year period of employment at that pay rate, be at the next successively higher applicable Pay Rate Step.

2. Performance System

As set forth in D.1. above, an employee will advance to the next step of the salary schedule if he/she receives an overall Meets Job Requirements rating on the Employee Performance Appraisal form developed and administered by the Civil Service Department. The rating will be based on the most recently completed Employee Performance Appraisal form. Employee appraisals are not arbitrary or capricious. All parties desire consistency in the appraisal process throughout the City. Performance that may result in ratings below "meets job requirements" should be discussed with the employee as needed throughout the rating period and should also be shared with the employee in a timely manner.

In the event the employee does not receive an overall Meets Job Requirements rating, the employee will not advance to the next successive step. No later than six-months after the original date the step increase was due, the employee will be re-evaluated. If the employee receives an overall Meets Job Requirements rating, he/she shall be advanced to the next successive step. He/she will receive their next step increase in accordance with the provisions of item D.1. above, i.e., either six-months or one year. In the event the employee does not receive an overall Meets Job Requirements rating, he/she will remain on their current step until such time they receive a new evaluation and a Meets Job Requirements rating.

If an employee's Performance Appraisal form is not completed within thirty (30) calendar days after the step increase is due, the employee will advance to the next step retroactive to the date the step increase was scheduled.

3. Appeal Process

If an employee does not receive a step increase because of his/her performance rating, he/she may appeal the rating as follows:

- a. A complaint shall be presented in writing directly by the employee to the immediate supervisor within ten (10) working days from the date the employee signs or refuses to sign the Employee Appraisal form, which acknowledges that the employee has read and reviewed the rating. The immediate supervisor will respond back to the employee in writing within ten (10) working days from the date of the complaint was received.
- b. If the employee is dissatisfied with the results of the supervisor's written response, he/she may appeal the matter to the Department Head or designee, ten (10) working days from the written response from the supervisor regarding the rating. The Department Head or designee will respond to the employee within ten (10) working days from receipt of the complaint.
- c. If the employee is dissatisfied with the response from the Department Head or designee, the employee may appeal by written request to the Director of Human Resources within ten (10) working days from the date of decision by the Department Head.
- d. If the matter is submitted to the Director of Human Resources or designee, within twenty (20) working days after the receipt of the written request from the employee, he/she shall review and may conduct investigations and hearings on the matter. Employees called as witnesses will be released from duty as needed.
- e. The findings of the Director of Human Resources shall be transmitted only to the parties to the dispute within ten (10) working days from the date of the hearing or proceeding. The decision of the Director of Human Resources or designee shall be final and binding upon all parties and is not subject to the grievance procedure.
- f. Should the Director of Human Resources not meet the established deadlines as indicated in subsections "d" and "e" above, then the City shall be untimely in the processing of the appeal, and the employee will advance to the next Step Advancement retroactive to the date the step increase was scheduled.

- g. In all the above steps, the employee is entitled to the same representation as provided for in the grievance procedure.
- h. The timelines set forth in Section 1.D.3 may be extended by mutual agreement of the parties, and such agreement shall not be unreasonably withheld.

Section II – Overtime

- A. An employee who is non-exempt under FLSA may continue to bank or be paid overtime at time and one-half for overtime hours worked in excess of 40 paid hours (excluding vacation leave) in a work week up to 40 work hours.

Hours charged to vacation leave shall not be considered when determining premium pay under the provisions of the FLSA. However, if the employee has actually worked more than 40 hours in the workweek, banking is not permitted for hours that exceed 40 work hours. The employee can only be paid time and one-half for that time actually worked over 40 work hours. In the event that the Department of Labor's rules and regulations are amended to give the City control over scheduling off the FLSA compensatory time so as not to require replacement personnel, the parties will agree to reopen this section of the MOU.

- B. Banked time-off hours shall be allowed at such time or times mutually agreeable to both the employee and his or her Department Head. Such time off may not be granted in the pay period in which it is earned, or if it results in the disruption of departmental operations. Banked time-off hours must be taken prior to the last pay period in September. All banked time off hours not taken off in accordance with the above shall automatically be paid to the employee the last pay period in September of each year.
- C. Banked overtime credits shall not exceed 60.0 expanded hours for any employee at any one time.

(40 straight time hours x 1-1/2 = 60)

- D. During the term of this Agreement, the City will be reviewing its overtime policies, ordinances and resolutions. During the term of this Agreement, the parties agree to meet and confer over changes to City overtime policies, overtime ordinances and overtime resolutions as required by the Meyers Milias Brown Act. The IAM retains the right to negotiate any changes to the fullest extent permitted by the law.

Section III – Skill Pay

All employees in the classification listed in Appendix C, who meet the requirements for receipt of skill pay, shall receive additional compensation at the designated rates.

Section IV – Night Shift Differential

Night shift differential shall be compensated at one dollar and twenty-five cents (\$1.25) per hour.

Night shift differential shall be paid to any permanent full-time employee whose regular schedule requires the employee to work between the hours of 6:00 p.m. and 6:00 a.m. provided that either:

- A. The employee works 1/2 (50%) or more of the regularly scheduled shift between the hours of 6:00 p.m. and 6:00 a.m. These employees shall be eligible to be paid the additional rate established by this Section for each hour worked during the entire work shift; or
- B. The employee works between the hours of 6:00 p.m. and 6:00 a.m. as part of a “split shift.” Split shift is defined as a shift of eight (8) or more non-continuous work hours in a single day, separated by a break of at least three (3) non-working hours during the shift. The employee shall be paid the night shift differential established by this Section only for each hour actually worked between the hours of 6:00 p.m. and 6:00 a.m.; or
- C. Employees who work a twelve-hour shift that begins or ends at midnight shall be paid Night Shift Differential for only those hours worked between the hours of 6:00 p.m. and 6:00 a.m.

Section V – Higher Classification Pay

Each employee who is required to perform the full range of duties in a vacant higher classification or grade level position, up to and including division manager, shall be paid an additional eighty cents (\$.80) per hour providing the following conditions are met:

- A. The higher-level duties performed must be those of a permanent budgeted position that is vacant, either temporarily, because of absence or reassignment of the regular employee, or vacant due to resignation, termination or other such action.
- B. In no event shall the total compensation paid to the employee for regular salary and higher classification pay exceed the top step of the higher classification or grade level.

The City shall take no action to resolve the dispute in its favor by amending its Ordinances or Resolutions related to the issue(s) in dispute during the duration of this MOU.
11. Following the conclusion of the hearing, the decision of the Arbitrator rendered in accordance with the foregoing shall be final and binding upon the Union, the City and any employees involved in the grievance. 7. Jail Security Officer Side Letter

The following practices shall apply to Detention Officers and Detention Officer Supervisors assigned to the Jail Division of the Police Department:

a. The selection of vacation schedules shall be based upon "departmental seniority", except during periods of extreme critical shortage. "Departmental Seniority" is computed from date of assignment to the Police Department for Detention Officers and from the date of promotion for Detention Officer Supervisors.

b. The selection of shift, days off, and holidays shall be based upon "division seniority", except during periods of extreme critical shortage. "Division Seniority" is computed from the date of assignment to the Jail Division of the Police Department for Detention Officers and from the date of promotion for Detention Officer Supervisors.

c. If an employee resigns from the Police Department and is later re-hired in the Jail Division, the employee forfeits all seniority accumulated prior to his/her resignation, and seniority will be computed from his/her date of re-hire. This provision is not intended to impact on any previous agreements presently in effect with individual employees regarding the computation of seniority.

This provision shall affect all persons who resigned subsequent to December 12, 1977.

d. For the purposes of this Side Letter, seniority (departmental and division) for Detention Officers and Detention Officer Supervisors shall operate independently.

e. Once the shift and holiday schedule has been established, an employee shall not be allowed to "bump" a less senior employee. When an opening occurs in the shift schedule or holiday schedule, new schedules may be established on the basis of seniority.

f. Employees, involuntarily assigned to a division other than the Jail Division or Department or other than Police Department will not lose "division/departmental seniority", as applicable, as a result of such assignment.

g. Employees who voluntarily accept assignments to another division within the Police Department or with another City department will not accumulate "division/departmental seniority" within the Jail Division while working

outside the Jail. If an Officer returns to the Jail Division, he/she will be credited only for seniority earned working in the Jail.

- h. Employees who are absent from work due to lay-off or extended illness will retain their accumulated "division/departamental seniority" upon return to work.
- i. Employees who are on probation or otherwise being trained may be exempt from a change of work assignment based on inverse seniority. The Jail Division command officers shall review each case individually to determine if a change in work schedule would be detrimental to the employee's training program.
- j. The management of the Police Department may make adjustments to work assignments and vacation schedules to meet Departmental needs. It is understood that whenever such adjustments are made, the policy outlined above shall be adhered to as closely as possible.

It should be noted that seniority as defined in the Civil Service Rules and Regulations is applicable only under the conditions outlined in that document.
