INSURANCE CERTIFICATES

1. ☐ Check the following dates:
   - ☐ Date of the certificate of insurance. Is it current?
   - ☐ Date of the insurance policies. Are the policies shown in effect? Will they expire before the P.O. ends -- if so, you need to ensure that you receive a certificate and any appropriate endorsements for the renewal policies.

2. ☐ Check the policy amounts. If this is a Special Risk (as defined in Exhibit A), refer to Risk Management
   - ☐ Commercial general liability insurance in an amount not less than $1 million per occurrence, $2 million general aggregate.
   - ☐ Professional liability insurance in an amount not less than $1 million per occurrence.
   - ☐ Automobile liability insurance in an amount not less than $500,000 per accident (construction and towing contracts require $1 million per accident).
   - ☐ Workers' compensation insurance as required by the CA Labor Code.
   - ☐ Employer's liability insurance in an amount not less than $1 million per occurrence if worker's compensation insurance is required by law.

3. ☐ Make sure that you have received an original signature.

   SHOULDN'T ANY OF THE ABOVE REFERENCED POLICIES BE CANCELLED BEFORE THE EXPIRATION DATE THEREOF, THE ISSUING INSURER WILL ENDEAVOR TO MAIL 30 DAYS* WRITTEN NOTICE TO THE CERTIFICATE HOLDER NAMED HEREIN BUT FAILURE TO MAIL SUCH NOTICE SHALL IMPOSE NO OBLIGATION OR LIABILITY OF ANY KIND UPON THE INSURER, ITS AGENTS OR REPRESENTATIVES.
   *The broker/agent can include a qualifier stating "10 days notice for nonpayment of premium."

5. ☐ Make sure the Certificate Holder box is correct.
   City of Long Beach
   Attn: [Your Name and Department]
   [Your Department's Address]

6. ☐ Make sure the Description of Operations box is correct. The description should accurately reflect the scope of services under the P.O. or, alternatively, may apply to all work vendor does for City.
GENERAL LIABILITY INSURANCE ENDORSEMENT(S)

The City requires that its vendors provide an additional insured endorsement to the vendor's general liability policy naming "City of Long Beach, its officials, employees and agents" as additional insureds.

1. If the vendor submits the City's General Liability Endorsement for Purchase Orders.
   - Check Section A against the information on the Certificate of Insurance. Is the information consistent?
   - Check Sections C and D. Make sure that all the terms have been completed.

2. If the vendor submits standard industry form CG 20 10 (Additional Insured - Owners, Lessees or Contractors) or CG 20 26 (Additional Insured - Designated Person or Organization).
   - Is the policy number on the endorsement?.
   - Is the endorsement signed and dated by the insurer or the insurer's authorized representative?
   - Is the additional insured specified as "City of Long Beach, its officials, agents and employees"?
   - If the endorsement does not have added language stating that the insurer will provide the City with 30 days written notice of cancellation, nonrenewal, or reduction in coverage and that this insurance is primary to any insurance or self-insurance maintained by the City, its officials, employees and agents, you need to obtain separate endorsements.

Checklist for Obtaining Insurance Waivers for P.O. Vendors
CHECKLIST FOR OBTAINING WAIVERS FOR P.O. VENDORS

WORKERS COMPENSATION

☐ Workers’ Compensation Insurance is not required. Workers compensation is not required by the California Labor Code when the vendor is a sole proprietor or a partnership, company, or other organization with no employees (e.g., partners, members, or owners only).

☐ Provide City's Risk Manager or City’s Purchasing Agent with a letter from your vendor stating the reason why the vendor is not subject to state workers’ compensation laws. Include the scope of work.

AUTOMOBILE LIABILITY

☐ Requesting a waiver of the automobile liability insurance requirement. If the scope of work does not involve, directly or indirectly, your vendor's use of a vehicle and the vendor does not drive on City property (other than to park in a public parking lot), you can seek a waiver of the automobile liability insurance requirement.

☐ Submit your Department's request for waiver of the automobile liability insurance requirement for the vendor, with the reasons for the request, in a memo to City's Risk Manager or City’s Purchasing Agent. Include the scope of work.

☐ Requesting a reduction in the required automobile liability insurance limits. If the vendor will be driving an automobile in connection with the vendor's scope of work, automobile liability insurance is required. If the vendor requests a reduction in the limits required:

☐ Submit your Department's request for reduction of automobile liability insurance limits with the reasons for the request in a memo to City's Risk Manager or City’s Purchasing Agent. Include the scope of work.

☐ Provide City's Risk Manager or City’s Purchasing Agent with a letter from vendor stating the reason(s) supporting the vendor's request for reduction in automobile liability insurance.

☐ Specify the amount of the P.O. If the P.O. is for services, also provide the hourly rate.

IMPORTANT: WAIVER OF THE CITY’S INSURANCE REQUIREMENTS DOES NOT WAIVE VENDOR’S LIABILITY TO THE CITY OR THIRD PARTIES.
Requesting a waiver of the general liability insurance requirement.

Submit your Department's request for waiver of the general liability insurance requirement in a memo to the City’s Risk Manager. Include your Department's reasons as to why the insurance should be waived. Some examples (but not all) are: there is no general liability exposure (must be accompanied by a written explanation as to why there is no exposure) or that there is no coverage available on the market at a commercially reasonable rate (vendor must have its insurance broker provide three written quotes).

Provide City’s Risk Manager with a letter from vendor requesting the waiver and setting forth the reasons for the request.

Provide City’s Risk Manager with the scope of work.

Specify the amount and duration of the P.O. If the P.O. is for services, also provide the hourly rate.

Requesting a reduction in the general liability insurance limits required.

Submit your Department's request for a reduction in limits in a memo to City's Risk Manager. Include your Department's reasons as to why the limits should be reduced. Risk Management rarely reduces the general liability insurance limits, but will consider your Department's arguments and the vendor's arguments for the reduction. Some factors (but not all) that might be considered are: the type of work being done, the scope of work being done, whether work is done on City property, and the cost of available insurance (vendor must have its insurance broker provide three written quotes when claiming rates are commercially unreasonable).

Provide Risk Management with a letter from vendor requesting the waiver and setting forth the reasons for the request.

Provide Risk Management with a description of the scope of work.

Specify the amount and duration of the P.O. If the P.O. is for services, also provide the hourly rate.

IMPORTANT: WAIVER OF THE CITY’S INSURANCE REQUIREMENTS DOES NOT WAIVE VENDOR’S LIABILITY TO THE CITY OR THIRD PARTIES.
PROFESSIONAL LIABILITY INSURANCE

☐ Requesting a waiver of the professional liability insurance requirement.

☐ Submit your Department's request for waiver of the professional liability insurance requirement in a memo to City's Risk Manager. Include your Department's reasons as to why the insurance should be waived. Some examples (but not all) are: there is no professional liability exposure; the requirement has been waived by the City Attorney; or all work is reviewed and approved by a City employee with the same professional qualifications prior to use, distribution, or publication.

☐ If the vendor has any professional licenses or certifications, please include this information in your request.

☐ Provide City's Risk Manager with a letter from vendor requesting the waiver and setting forth the vendor's reasons for the request.

☐ Provide City's Risk Manager with the scope of services.

☐ Specify the amount of the P.O and provide the hourly rate.

☐ Requesting a reduction in the professional liability insurance limits required.

☐ Submit your Department's request for a reduction in limits in a memo to City's Risk Manager. Include your Department's reasons as to why the limits should be reduced. Some factors (but not all) that might be considered are: the type of work being done and the cost for additional limits (the vendor must provide three insurance quotes).

☐ If the vendor has any professional licenses or certifications, please include this information in your request.

☐ Provide Risk Management with a letter from vendor requesting the waiver and setting forth the reasons for the request.

☐ Provide Risk Management with the scope of services.

☐ Specify the amount of the P.O. and the hourly rate.

You should receive a reply to e-mail within 3 business days. You should receive a reply to an interoffice memo within 3 business days of receipt of the memo by Risk Management. If we need more information or clarification, the waiver process can be delayed. Therefore, submit the request for waiver at least 10 business days before the P.O. is to be submitted.

IMPORTANT: WAIVER OF THE CITY'S INSURANCE REQUIREMENTS DOES NOT WAIVE VENDOR'S LIABILITY TO THE CITY OR THIRD PARTIES.
