CITY OF LONG BEACH
PLAN HIGHLIGHTS / SCHEDULE OF BENEFITS

Your Long Term Care (LTC) insurance plan is listed below.

Elimination Period: Your plan's Elimination Period of 60 consecutive days is the amount of time you must wait before benefits become payable. This time period must be satisfied only once during the life of your plan.

Newly Hired Employees – Once eligible for the plan, you will have 30 days to sign up for Guarantee Issue coverage. Please check with your employer for your effective date.

All Active Employees & Newly Hired Employees – Who enroll after the Guarantee Issue enrollment period or choose benefits over the Guarantee Issue limits will be required to fill out a medical questionnaire.

Medical Underwriting Effective Date – The effective date for those applicants passing medical underwriting between the 1st and 15th of the month is the first of the month following their date of approval. For those approved between the 16th and the end of the month, their effective date is the first of the second month following their date of approval.

Medical Underwriting means that you must answer all questions on a medical questionnaire. In some cases, an interview may also be necessary.

Delayed Effective Date – If you are absent from work because you are injured, sick, temporarily laid off or on a leave of absence, your coverage will not begin on your otherwise expected effective date.

Medical Underwriting for Employees and Family: (Completion of the Benefit Election Form is required for enrollment) As an **Employee** you are eligible for benefit amounts on a Guarantee Issue basis of up to and including \$4,000 and a Facility Benefit Duration of 3 years. This does not require completion of the Long Term Care Insurance Application (medical questionnaire) if you apply during your initial eligibility period. The Long Term Care Insurance Application (medical questionnaire) is required if enrolling after your initial eligibility period or if you choose to buy the \$5,000, \$6,000, \$7,000 or \$8,000 coverage. **Retirees** and all **Family Members** must complete the Long Term Care Insurance Application (medical questionnaire) and you must be approved for coverage in order to enroll in the Long Term Care plan. **All** Medical Questionnaires must accompany a signed Authorization to Request Medical Information Form #6720-03-CA located in the enrollment kit.

Benefit Duration	3 Years
Facility Benefit Amount Per \$1,000 Increments	\$1,000 to \$8,000
Assisted Living Facility Percent	60%
Return of Premium	Yes
Professional Home Care - Option	50%
Inflation Protection * - Option	Compound Uncapped

** If you selected an inflation option, and you terminate that inflation option at a future date, you can purchase the inflated coverage amount at your original age.*

Lifetime Maximum: The Lifetime Maximum is the maximum benefit dollar amount Unum will pay over the life of your coverage. This dollar amount is based on the Facility Benefit Amount and Benefit Duration. *For Example: If you choose \$3,000 Facility Monthly Benefit Amount & 3 Year Duration, your Lifetime Maximum is calculated as follows, \$3,000 per Month X 12 Months X 3 Years = \$108,000 Lifetime Maximum.*

Insurance Age: Insurance Age is used to determine the cost of your coverage. Insurance Age is your age on the plan effective date if you enroll for coverage prior to the plan effective date. If you enroll for coverage on or after the plan effective date, insurance age is your age on the date you sign the enrollment form.

5. LONG TERM CARE COVERAGE

Plans of this category are designed to provide coverage for one or more necessary or medically necessary diagnostic, preventative, therapeutic, rehabilitative, maintenance or personal care services, provided in a setting other than an acute care unit of a hospital, such as in a nursing home, in the community, or in the home.

This plan provides coverage in the form of a fixed dollar indemnity monthly benefit if you suffer a covered Loss of Functional Capacity or covered Cognitive Impairment.

The amount of the monthly benefit will be based on the plan of coverage you choose; any options you choose, if available, and the place of residence used for long term care.

6. BENEFITS PROVIDED BY THE SUMMARY OF BENEFITS

Monthly Benefit:

You are eligible for a monthly benefit if you are assessed as suffering a covered loss of functional capacity and are unable to perform 2 or more Activities of Daily Living (ADLs) or cognitive impairment. You must be under the regular care of a doctor according to the condition.

NOTE: Any Activities of Daily Living that you cannot perform without stand-by assistance on the date you become insured under the plan will not be considered when determining the extent of your loss.

A monthly benefit will become payable on the day after you complete the Elimination Period.

The amount of your monthly benefit will be based on the coverage options you choose and the place of residence used for long term care. If your coverage includes Professional Home Care Services, the benefit payment will be based on the number of days you receive these services.

Activities of Daily Living are: bathing, dressing, toileting, transferring, continence ambulating and eating.

Cognitive Impairment means a deterioration or loss in intellectual capacity resulting from Alzheimer's disease or similar forms of irreversible dementia.

The Elimination Period is the number of consecutive days during which you must continue to be eligible for a monthly benefit before a benefit will become payable.

Lifetime Maximum is the maximum UNUM will pay you for all long term care benefits. You have your own Lifetime Maximum.

Respite Care means formal care provided to you for a short period of time to allow your informal caregiver a break from their caregiving responsibilities. If you are eligible for a home care monthly benefit but benefits have not yet become payable, payments will be made to you for each day you receive respite care for up to 15 days each calendar year. The amount of your payment will equal 1/30th of your home care monthly benefit for each day that you receive respite care.

Return of Premium

If you die before benefits become payable under this plan, UNUM will make a payment to your estate when proof is received that you were under age 75 on the date of your death, premiums were paid until the date of your death; and you never received any benefit payments for Respite Care benefits. The amount of the payment to be paid to your estate will be based on your age and will equal a percentage of the premium payments remitted to UNUM for your coverage up to the date of your death. This benefit ends at age 75.

OPTIONAL BENEFITS AVAILABLE

Professional Home Care

When benefits become payable, there will be no more cost to you for coverage as long as you continue to have a loss of functional capacity or cognitive impairment and receive Professional Home Care.

If you do not receive Professional Home Care for a period of 30 consecutive days, premium payments will again become due. To continue your coverage, you must resume premium payments on the next premium date following this 30 day period.

Inflation Protection Provision - 5% Compound Inflation With No Cap

Your Monthly Benefit Amount will increase each year on January 1st by 5% of the Monthly Benefit in effect on that January 1st. Increases will be automatic and will occur regardless of your health and whether or not you are Disabled. Your premium will not increase due to automatic increases in your Monthly Benefit Amount.

The benefit paid is subject to the Lifetime Maximum Benefit Amount. Benefits are not paid during the Elimination Period.

Refer to the graphic Comparison Chart of all types of Inflation, located in Section 8 of this Outline of Coverage

9. TERMS UNDER WHICH THE GROUP COVERAGE THROUGH THE PLAN MAY BE CONTINUED IN FORCE OR DISCONTINUED.

- **PREMIUM WAIVER**

- Long Term Care Facility

- When benefits become payable, there will be no more cost to you for coverage as long as you continue to have a loss of functional capacity or cognitive impairment and reside in a Long Term Care Facility.

- **RIGHT TO CHANGE PREMIUMS**

- The rate will not increase because you grow older or because of your use of the benefits. However, the rate schedule may change in the future depending on the overall use of the benefits for all covered persons or changes in the benefit levels, plan design or other risk factors. Any such change will be made on a class basis according to UNUM's underwriting risk studies under this type of insurance.

- **PORTABLE COVERAGE**

- If the Employer or UNUM ends group long term care coverage, you or your authorized representative may elect portable coverage for you. This means that the same coverage you had under this plan can continue on a direct billing basis. Retired employees and any other persons who are direct billed will automatically transfer to portable coverage.

- Any election for portable coverage must be made within 31 days of the date the group coverage would otherwise end. If so elected, you are a portable insured.

- Any premium that applies must be paid directly to UNUM by you for any portable coverage to be continued.

- Also, the rate schedule for portable coverage may change in the future, depending on the overall use of the benefits by all covered persons or changes in the benefit levels or other risk factors. Any such change will be made on a class basis according to UNUM's underwriting risk studies.

- Once on portability, you can apply at any time to increase coverage by filling out a new Benefits Election Form and Application for Long Term Care Insurance which includes evidence of insurability.

- If you voluntarily end your group long term care coverage, you may not elect portable coverage. However, you may be eligible to continue a percentage of your Monthly Benefit Maximum(s) and Lifetime Maximum Amount if you elected the paid up coverage option and have met the requirements under that option.

WHEN COVERAGE WILL END:

Your coverage will end on the earliest of these dates:

- the date the Summary of Benefits under this policy ends,
- the date you no longer are in an eligible class,
- the date your class no longer is included for insurance,
- the end of the period for which premiums were last remitted to UNUM for your coverage,
- the date you no longer are an active employee with the Sponsoring Organization.
