

Please be advised that the **Long Beach Water Department** will be increasing their Sewer Capacity Fee effective October 1, 2019 as follows:

From	\$108.72
To	\$109.05

Sewer Capacity Fees are required on new residential, nonresidential, or change of use (when additional sewer capacity is required) developments for the purpose of construction, reconstruction, maintenance and operation of the Sewer System.

For additional information, please contact the Long Beach Water Department at (562) 570-2367.
