Where would you like to walk in Long Beach?
Over a series of six public outreach meetings in the months of August, approximately 109 people throughout the CX3 area participated in choosing their favorite short, medium, and long term projects that are identified in the CX3 Implementation Chapter. The following results represent the findings from this prioritization activity.
**PLEDGING TO IMPROVE THE PEDESTRIAN ENVIRONMENT**

The CX3 Pedestrian Plan proposes changes at the larger policy and planning level. The CX3 Pledge activity supplements the Plan by asking individuals to try and improve their behavior and actions to help create a better pedestrian environment. Overall, there were approximately 282 participants and their results are captured below:
