Dear Neighborhood Leaders:

We are pleased to present to you the 2019 List of Neighborhood Groups (The List). The Neighborhood Resource Center (NRC) of the City of Long Beach's Housing and Neighborhood Services Bureau (H&NSB) publishes The List annually. Formerly, the City of Long Beach's Department of Development Services published a Directory of Neighborhood Organizations, often referred to as the "Red Book", which is now replaced by The List.

The List is intended to help improve communications between the many neighborhood organizations of Long Beach and City Hall. The List is also a great tool for organizations to use for networking as well as for residents seeking involvement in their own neighborhood.

This is not a complete listing of all neighborhood associations, non-commercial or nonprofit organizations in Long Beach, but rather a list of groups that are established for the purpose of community and neighborhood improvement. The List represents groups and organizations that have submitted their contact information to the NRC, and the information listed is what was submitted by each group/organization to NRC.

Consistent with the City's goal to maintain The List as an accurate and up to date resource, we urge you to provide NRC with any updates, additions, or corrections to the information contained herein as NRC will periodically update the 2019 List to enhance its accuracy.

For more information on how your group can be included in The List, or how you can be an active part of your community, please contact the Neighborhood Resource Center at (562) 570-1010.

Sincerely,

Patrick Ure
Bureau Manager
