RANCHO LOS CERRITOS HISTORIC LANDMARK

www.RanchoLosCerritos.org
Rancho Hours: Wednesday-Sunday, 1-5 p.m.
Closed: April 12, Easter, May 25

Rancho Los Cerritos is a Long Beach, State, and National Historic Landmark in Long Beach, California. It is operated by the Rancho Los Cerritos Foundation in a public/private partnership with the City of Long Beach. The Rancho Los Cerritos Foundation is the historic voice for the diverse people who shaped Southern California. The site echoes with the rich history of indigenous, Spanish, Mexican, and American California. Public hours are Wednesday through Sunday from 1 to 5 p.m. and include free parking, admission, and tours. While visiting the site you can see the latest exhibits at the visitor center, tour the adobe home, and stroll the gardens.

The adobe home was built in 1844, as part of John Temple’s cattle ranching operation. When you tour the house, you can immerse yourself in the stories of the families who helped transform Southern California from its ranching beginnings to a modern, urban society.

The site also includes a research library and archives. Today the site is no longer a working ranch, but a community space. Along with our public hours, we host events for all ages. You can also rent the site for private events such as weddings, corporate retreats, and luncheons.

Check out our website at www.RanchoLosCerritos.org to plan your visit and register for events.

You can also follow us on Facebook, Instagram, and Twitter to stay up to date on the latest things RLC.
