22. WEATHER/FIELD CONDITIONS:
If you are in doubt of weather or field conditions possibly affecting your game, please call the Long Beach Field Conditions Hotline at 562-570-1738 after 3:00pm on game day. Due to the large number of teams in our leagues, it is impossible for the League Coordinators to notify all team managers of cancelled game information. Teams should be prepared to play make-up games on any night or field and on short notice.

1. ROSTER/PLAYERS:
   Teams will defensively consist of nine (9) players. Games may be played with eight (8) rostered players present at game time. Maximum roster size is eighteen (18) players
   Once the game has begun, a team may not play with eight (8) players resulting from an ejection, injury, etc.

2. PLAYER ELIGIBILITY:
   A participant may not play for more than one (1) baseball team organized by the City of Long Beach.

3. GAME SCORECARD:
   The umpire will present the scorecard to the teams, which are to have players listed in batting order. No game may begin until a completed scorecard with signatures is submitted to the umpire; however, time limit for game will begin as scheduled. NOTE: the longer you delay, the less you play. Late players must sign the scorecard before entering the game.

4. FORFEIT TIME:
   There will be a ten (10) minute grace period for each game, which will be deducted from the actual game time.

5. FORFEIT RULE:
   Forfeiting team must pay the umpires fees for both teams. This total is currently $85. This fee must be paid to the official at the field or at the Sports Office within one (1) week of the forfeited game. Failure to do so will result in additional forfeited games, and subsequent removal from the league.

6. LENGTH OF GAME:
   Games will be two hours and forty-five minutes (2:45) in length or nine innings, whichever occurs first. No new inning will begin after two hours and thirty-five minutes (2:35) of play. An inning that begins within the time limit will be completed unless it is the last half of the inning and the home team is ahead. NOTE: There is no time limit for the Championship Game.

7. HOME TEAM/VISITING TEAM:
   The home team will occupy the third (3rd) base dugout. The home team will bring two (2) (new) approved baseballs, and the visiting team will bring one (1) (good) approved back-up baseball. The umpire will be the sole judge on the quality of game balls. Failure to provide a new approved baseball will result in forfeiture of the home team status.

8. PERSONAL CONDUCT:
   No player or coach may address any official while in possession of a bat. This applies to all participants, spectators, and coaches before, during, or after the game. Violation of this rule will result in immediate ejection from the game and indefinite suspension from the league until further review by the Sports Office Committee. Please see the Participant’s Code of Conduct section on page 30 for more details.

9. GAME TIME:
   Games will be scheduled between 10:00am and 4:00pm. All schedules are subject to change at any time.

10. PLAYOFFS:
    Please see rule #16 under General Supplemental Rules.

12. UMPIRES FEES:
    The umpire’s fees are $45 for the home-plate umpire, paid for by the home team, and $40 for the field umpire, paid for by the visiting team. Umpire’s fees must be paid in full prior to game time.

13. WARM-UP RULE:
    Warm-up time for the pitcher is limited to one (1) minute or a total of five (5) pitches, whichever occurs first. The time limit starts with the third out of the previous inning.

14. INFIELD PRACTICE:
    Each team will be allowed seven (7) minutes for infield practice with the visiting team going first.

15. HELMETS:
    Helmets with an earflap that faces the pitcher are required for the batter. On deck batter and all base runners must also wear helmets.

16. EQUIPMENT:
    Each team must provide their own equipment including bats, gloves, helmets, and full catcher’s gear. Aluminum bats are LEGAL in this league.
17. **NO CONTACT:**
Collisions at all bases are illegal in this league. All runners must avoid a collision with a fielder waiting to tag a runner with the ball. Flagrant base running violations will result in ejection from the game. No fielder may block a base without the ball. The runner will automatically be declared safe. Collisions are still not permitted even if a player is blocking a base without the ball.

18. **APPROVED BASEBALLS:**
The Sports Office will provide game baseballs. The balls provided will be the only acceptable balls. If a team misplaces their baseballs, they must replace them with the same brand provided by the Sports Office. NOTE: Little League balls are not acceptable. It is recommended that teams carry their used game baseballs with them in case additional back-up baseballs are needed.

19. **UNIFORM REGULATIONS:**
Each player must have a jersey with a number. Colored socks or stirrups are mandatory. Any uniform violations may result in a forfeit loss.

20. **APPROVED FOOTWEAR:**
Metal cleats ARE allowed.

21. **RECLASSIFICATION:**
Teams could possibly be reclassified after the first (1st) round. Teams moved to higher classifications are assured of a playoff spot. Subsequent playoff classification will be determined by second (2nd) half results.

22. **OFFENSIVE LINE-UP:**
Each manager has the prerogative to bat as many players as he wishes in his initial line-up, as long as there are at least nine (9) batters. If the manager wishes to add players to the bottom of the line-up (hitting positions 10 – 18), he may do so at any time. If a player is pinch hit for, he may not re-enter the game as a hitter, but may stay in the defensively. Batters may not be deleted or skipped over, regardless of their batting position or when they were added to the game. Thus, if a team increases the size of their line-up to fifteen (15) batters, they must have fifteen (15) batters in their line-up the entire game.

EXCEPTION: If a player is forced to leave a game, due to injury or ejection, a reserve player, not previously entered into the game as a hitter, must hit in the replaced batter’s place. If there are no reserves to replace the individual, the spot in the line-up is skipped and all other players move up one (1) spot in the batting order. An out is recorded for the player skipped the next time they should have batted.

23. **DEFENSIVE PLAYERS:**
All players may be substituted, at any time. Defensive players do not have to be in the batting order. However, a pitcher, after being removed from the line-up, cannot return to the line-up as a pitcher.

24. **COURTESY RUNNERS:**
Players that require courtesy runners must have their manager notify the opposing manager prior to the start of the game, otherwise, the opposing manager has the right to refuse the courtesy runner. Each team will be allowed a maximum of two (2) players per game, who can be run for each time they reach base. The individual who runs for these player(s) that need a courtesy runner is not determined ahead of time. The courtesy runner is always the last batted out. In the event that a player becomes injured during a game, and the maximum number of courtesy runners (2) has already been designated, a pinch runner must be used and no courtesy runner will be allowed.

In order to speed up play, a courtesy runner may be used for the catcher when there are two (2) outs in an inning. The courtesy runner must still be the last official out.

In the case of a forfeit, the forfeiting team will have no players qualify for Playoffs and the non-forfeiting team will be considered to have had a full roster sign in for that game.

7. **OFFICIAL’S FEE:**
   Each team is required to present the game official with the appropriate fee, IN CASH, prior to the start of the games. No game will be started until both teams have paid the official. Any team not providing the officials fee at game time will forfeit that game.

8. **FORFEIT TIME:**
   Forfeit time for the first game is ten (10) minutes following scheduled game time. Scheduled game time will be the forfeit time for all remaining games. Any team forfeiting has up until the day before their next scheduled game to pay the forfeit fee, which is both sides of the official’s fee. If the forfeit fee is not paid by this time, the forfeiting team’s next game will be declared a forfeit.

9. **LENGTH OF GAME:**
   A game consists of two (2) twenty minute (20) running halves. Time shall run continuously except for the following reasons: A) after a touchdown, touchback or safety. B) When time out is called by a team. C) When time out is called by an official. D) A penalty is called.

   1. After an incomplete pass
   2. When the ball goes out of bounds
   3. When a first down has been declared
   4. After a fair catch has been made
   5. Following a change of possession after a punt return ends
   6. When a player injury occurs
   7. When a player is in need of equipment repair
   8. When a captain-referee conference concerning the misapplication of a rule results in the releaser altering his call.
   9. When an unusual delay in getting the ball ready for play or similar reason which is not listed.

10. **GAME TIME:**
   Games will be regularly scheduled for 7:00, 8:00 and 9:00 p.m. If division size is increased the game times could change to 6:30, 7:30, 8:30 and 9:30 p.m.

11. **TIME OUTS:**
   Each team is allowed two (2) time outs per half. Each team time out will be thirty (30) seconds in length. Time outs for injuries will be charged to the officials. First half time outs do not carry over to the second half or overtime.

12. **UNIFORMS:**
   Matching jerseys or t-shirts are required by your first league game. All members of each team shall wear their team’s designated colors: **PENALTY:** Five (5) yard penalty per player not to exceed twenty (2) yards. In addition, the loss of one team time out in the first half.

There is no rush on the punt. There must be a minimum of four (4) defensive players on the line of scrimmage at the time of the punt. A muffled or mishandled punt is considered a fumble and is a dead ball at the point of contact with the ground.

18. **PUTTING THE BALL INTO PLAY:**
The ball is put into play by the center by a backward pass or handoff. The ball is dead whenever it comes in contact with the ground. The only exception to this is a punt that has not been touched by any offensive or defensive players (See Rule #18). It is illegal to hit the center on any play until the center is in a standing, upright position and ready to block. THE PENALTY FOR THIS WILL BE AN UNSPORTSMANLIKE CONDUCT – 15 YARDS AND AN AUTOMATIC FIRST DOWN.

The player removing the flag or belt must drop the flag or belt at the spot where it was removed. Any attempt to do otherwise may be determined as unsportsmanlike conduct. A player who has inadvertently lost his flag or belt will be eligible to handle the ball, however, the player may not advance the ball beyond the point of first contact. Removing a flag or belt on an offensive player who does not have the ball will result in an unsportsmanlike conduct penalty. In the attempt to remove the flag or belt from an offensive player carrying the ball, the defensive player may not hold nor run through the ball carrier, but must “play the flag or belt rather than the man”. A defensive player removes a passer’s flag before the ball leaves the passer’s hand, the passer will be considered “tackled” at the spot and the ball shall be dead. If a player gains possession of the ball and loses the flag belt, either prior to or during possession of the ball, that player will be able to continue the play until being touched, on any part of the body or clothing, by any part of the defender’s body. The ball will be whistled dead at the point of the touch. All players on the field must have flags on to start any play. Any player that stars a play without flags and gains possession of the ball be allowed to retain possession but not be allowed to advance the ball.

23. **SUBSTITUTIONS:**
A player may re-enter the game at any time regardless of when he left the game. Officials shall not tolerate substitutions that are obviously meant to delay the game.

To keep possession of the ball, the offensive team must advance from one (1) twenty yard zone into the next, in four (4) downs. As soon as the ball is advanced into the next zone, the following down shall be a first down.
27. OFFENSIVE CHARGING:

guilty of hurdling will be penalized.

28. CALIFORNIA TIE BREAKER:
If at the end of the second half, the teams have identical scores, the tie will be resolved in the following manner: An overtime will be
played. The object of the overtime will be to allow each team the opportunity to score from the opponent’s twenty yard line with
a series of four (4) downs. All standard game rules will apply except where they conflict with the procedures outlines below. At the
conclusion of the second half here will be a three (3) minute intermission during which both teams may confer with their coaches.
Each team’s captain shall meet with the official at the center of the field for a coin toss. The winner of the coin toss shall be given

winner. The final score will be the total points scored during the regulation and overtime periods. To start the overtime, the
offensive team shall put the ball in play first and goal at the opponent’s twenty yard line. The offensive or defensive penalty will
result in a replay of down – if accepted.

EXCEPTION TO NORMAL PLAYING RULES: If a team scores a touchdown during the first three plays of its four down series, it
will have the option to use the next of its four down series, it will have the option to use the next of its four downs as an extra
point. If a team scores a touchdown on the fourth play of its four down series, it will not be allowed to attempt an extra point. If the
score is still tied after each team has been give one (1) series, the game will end up as a tie. No additional series will be played
except in playoffs where it is required to determine a winner.

29. PENALTY ENFORCEMENT:
No single penalty may be assessed that will move the ball more than half the distance to the goal line, whether the penalty be
against the offensive or defensive team. (Except offensive pass interference.) For any fouls between downs, enforced from the
spot of the snap. If the last defensive player between the ball carrier and the goal line commits an unsportsmanlike foul on the ball
carrier, a touchdown shall be awarded. Any penalty which involves a loss of down and occurs in a play following change of
possession, shall be enforced from the spot of the foul. The team obtaining possession will have a first down after the penalty is
enforced.

26. PENALTY SHOT:

(a) Any infraction of the rules which calls for a penalty shot will be taken as follows: "An official shall designate a player or have a player designated by the team captain to take the penalty shot. The puck will then be placed on the center face-off spot. The player taking the shot will, on the whistle of the official, play the puck from there and will attempt to score on the goalkeeper. The goalkeeper must stay in the crease until the player taking the shot has touched the puck. The player taking the shot must keep the puck in motion towards the opponents goal line and once it is shot the play will be considered complete. No goal can be scored on a rebound of any kind and any time the puck crosses the goal line the shot will be considered complete".

(b) The goalkeeper may attempt to stop the shot in any manner except by throwing his/her stick or any other object, in which case a goal will be awarded.

(c) In cases where a penalty shot has been awarded for illegal entry into the game, for throwing a stick, or for fouling from behind, the official will designate the player who takes the penalty shot. If by reason of injury, the player designated by the official to take the penalty shot is unable to do so, the shot may be taken by a player designated by the non-offending team's captain from the players who were on the floor when the foul was committed.

(d) In cases where a penalty shot has been awarded for falling on the puck in the crease, the penalty shot shall be taken by a player designated by the non-offending team's captain from the players who were on the floor when the foul was committed. Such selection will be reported to the official, and cannot be changed.

(e) Should the player to whom a penalty shot has been awarded commit a foul in connection with the same play or circumstances, he/she will be permitted to take the shot before being sent to the penalty bench to serve the penalty.

(f) If at the same time a penalty shot is awarded and the goalkeeper of the penalized team has been removed from the floor to substitute another player, the goalkeeper will be permitted to return to the floor before the penalty shot is taken.

(g) After a penalty shot has been taken, regardless of the result, the puck will be faced-off at center ice.

(h) Regardless of results from a penalty shot, a further penalty to the offending player will not be applied unless the offense for which the penalty shot was awarded was a major or match penalty, in which case the penalty called will be imposed.

(i) All players on the rink at the time of the infraction, except the player taking the penalty shot, must go behind the opposing red line.

(j) If an opposing player, other than the goalkeeper, interferes with the player taking the penalty shot, a goal will be automatically awarded.

(c) Should a goalkeeper incur a game misconduct or match penalty, he/she will be replaced by a member of his own team. However, any additional penalties specifically called for by the rules covering match penalties will apply, and the offending team will be penalized accordingly. Each additional penalty will be served by another member of the team who was on the floor at the time of the offense. Such player shall be designated by his/her own coach/captain.

(b) Should an infraction occur and a penalty is to be called on the team NOT in possession of the puck, the official will signify the calling of a delayed penalty by raising the left arm straight above the head and pointing with the right hand at the offending player, and on completion of the play by the team, the official will immediately blow his/her whistle and assess the penalty to the offending player.
(c) The resulting face-off will be made at the nearest face-off spot to where the play was stopped or at center floor so as not to disadvantage the non-offending team.

2. PLAYER ELIGIBILITY:
   A participant may participate in multiple leagues of same classification. It is illegal for a player to play on two (2) separate teams in the same league. It is illegal for any player to play out of classification. The Volleyball Coordinator will determine all player classification. Players found playing out of classification will receive one (1) warning and will be removed from that classification. Further violations will result in team forfeiture of all games in which the player(s) participated illegally. PENALTY: Forfeiture of all matches played in illegally.

3. GAME SHEET:
   It is the captain’s responsibility to see that all team members sign the score sheet. All players will be required to print and sign their names on all score sheets for each match played in. Players must sign their own names. Players must sign the score sheet before entering any match. PENALTY: Charged timeout, possible side out or point. Once the match is over, score sheets cannot be signed. All players who have signed in on the score sheet will be expected to play in the match. If a player signs in on the score sheet but does not play, that players name must be deleted from the score sheet. Late players must sign the score sheet and may enter when ready. Any player who is not going to play shall not sign the score sheet. If a player does sign the score sheet and does not play, the name will be removed. This score sheet will not count toward the number of matches played necessary to qualify for Playoff eligibility. The minimum number of matches played necessary to qualify for Playoff eligibility is five (5) matches (SEE RULE # 21). All late coed players should play but must fill in the empty spot on the court if their team is playing with five (5) players. If a team is not legal within the ten-minute span, the entire match is forfeited. A team may not use time outs to stop the forfeit time. Once the team becomes legal, and then time outs may be used. EXCEPTION: The forfeit time for all 6:30 matches ONLY will be fifteen (15) minutes from scheduled match time instead of ten (10) minutes. Teams will still lose a point per minute up to fifteen (15) minutes, at which point the match will be declared a forfeit. All other start times, including 6:45 matches, will continue to be a forfeit at ten minutes after scheduled match time. Teams will continue to lose a point per minute.
