

# LONG BEACH POLICE DEPARTMENT

## ADMINISTRATOR

**Leslie Bruce**

Leslie Bruce was appointed as the Financial Bureau Administrator for the Long Beach Police Department in November 2019.

Administrator Bruce joined the Department in 2017 as an Assistant Administrative Analyst II for the Records division, supporting the Fleet Services section. She later promoted to the classification of Administrative Analyst II, remaining in the Administration Bureau, where she managed the procurement, implementation, training, and operational support for the Department's body worn camera pilot program in 2018.

Prior to her appointment, Administrator Bruce served as an Administrative Analyst III for the Financial Bureau, leading the Department's procurement and payment operations, vendor contracts, and policy and procedure trainings.

Administrator Bruce holds a Bachelor of Arts Degree in Geography from California State University, Dominguez Hills and is a member of the Government Financial Officers Association.
