

CORE VALUES

ETHICS

Doing the Right Things

- Promoting the Law Enforcement Code of Ethics in all we do
- Policing in a constitutional manner - serving all people fairly and equally
- Maintaining professional standards on and off duty
- Accountability – never accepting mediocrity

INTELLIGENCE

Doing Things Right

- Policing in a smart, focused, and effective manner to protect life & property
- Promoting creativity and innovation to solve and prevent problems
- Utilizing best practices, tools, and technology to keep the public safe
- Policing in public partnership using the concepts of Sir Robert Peel's Nine Principles of Policing

RESPECT

Treating People Right

- Treating people with dignity & respect both internally and externally
- Give people a voice by listening
- Take the time to explain how we do business and why
- Encouraging and empowering employees to be the best they can be
- Everybody matters
