Instructions:

- 1. Cut sign out** along dotted line that surrounds the sign panel AND this instruction panel.
- 2. Fold down the center**, so that the sign is on one side, and these instructions on the other. The folded sheet will provide more strength and stability to your sign.
- 3. Cut out the door knob hole**, by cutting the dotted slit to the circle, then cutting out the circle.
- 4. Tape or glue** folded panels together (optional)
- 5. Hang it** on your front doorknob.

ENVIRONMENTAL SERVICES BUREAU
WINNER NATION'S BEST SOLID WASTE MANAGEMENT PROGRAM AWARD

Window Sign

Print then fold here

The graphic for the window sign is divided into four quadrants. The top-left quadrant shows a silhouette of a man and a child walking on a grassy hill towards a bright sun with rays, with trees in the background. The top-right quadrant is a solid dark blue rectangle. The bottom-left quadrant is a solid dark blue rectangle containing the text "STOP NO ADVERTISEMENTS Advertisers can be reported at litterfreeLB.org". The bottom-right quadrant is a solid light green rectangle containing the text "ALTO NO ANUNCIOS Pueden reportar anunciantes a litterfreeLB.org".
