

# Aquarium Wave Fountain Renovation

100 Aquarium Way

## PROJECT SUMMARY

The Aquarium Wave Fountain Renovation project will provide critical repairs and improvements such as the restoration and replacement of the fountain’s valves, controllers, pumps, electrical and plumbing systems. Safety features will be added to ensure maintainability and longevity of the system. The exterior of the fountain will also receive an update.

Community Benefits:

- Create a significant attraction and meeting place for the public
- Improve visitor experience
