

# Blueline Railcar #100

The Promenade

## PROJECT SUMMARY

The Blueline Railcar project consists of design and implementation of an adaptive reuse and restoration of the historic Blueline Light Railcar #100, which has been retired from active service and will be donated to the City by MTA. The railcar will be placed along the Promenade between Ocean Blvd. and 1st Street.

Community Benefits:

- Highlight a piece of City history
- Repurpose for continued use by the City
