CITY OF LONG BEACH
INFRASTRUCTURE INVESTMENT
FY21 PLAN UPDATE
STREETS & ROADWAYS

PROJECT LOCATION MAP

Infrastructure Investment Plan - Legend
- Existing Infrastructure Investment Plan
- New Projects (FY18+)
- Dirt Alleys
- Completed Projects
- Projects In Progress

Project estimates based upon 2016 estimates for the Infrastructure Investment Plan (IIP) and 2017 estimates for new street funding. Actual construction cost will vary, and all costs may not be included.

Streets include IIP (Measure A and 5 year CIP Arterial Street Plan) augmented with new funding in 2017.

(SB1 & Measure M projections for FY 2018-21) with additional streets shown in blue. Pacific Coast Highway funded with State of California SB1 and delivered by Caltrans.
