The determination of a tree’s condition and removal will be made by a City employed Certified Arborist. In general, the City of Long Beach will consider removal or allow removal of a parkway tree if the tree is dead, dying, diseased, damaging vital infrastructure, or causing major structural damage. The City will not allow removal of a tree solely because of leaf, flower, berry debris, or personal preference.

Indicate reason(s) for request:

☐ Tree is dead, dying, critically diseased or damaged beyond reasonable repair.

☐ Tree is in danger of falling or uprooting.

☐ Tree is damaging vital infrastructure such as sewer line, water line, gas or electrical conduit or causing other major structural damage. Must provide written documentation from a licensed contractor indicating the City tree roots are responsible for the damage.

☐ Other, please explain: ____________________________________________________________
