

# Willow Springs Park Native Plant Nursery

Where to park and how to find us

★ California Ave Parking

★ Orange Ave Parking

★ Native Plant Nursery

Parking is available at 2714 California Avenue next to the Farm Lot 59 Farm Stand (blue star on the map). Overflow parking is available on the other side of the park at 2755 Orange Avenue (red star on the map).

Walk down the hill from the parking area on either side. The nursery is located to the left of the trail through the restoration area and is marked with a green star on the map.

Workshops will be followed by an hour of volunteering in the habitat restoration area. If you plan to stay, please wear closed toed shoes and a hat and bring your own reusable water bottle.
