

CITY OF
LONG BEACH
Digital Inclusion Initiative

Digital equity is when everyone has access and use of digital literacy training, the Internet and technology devices to be successful in society, democracy and the economy regardless of their background and identity.

Did You Know?

The Long Beach Public Library provides free in-person social media basics and computer classes.

Many Long Beach community centers provide free public Wi-Fi.

All 12 Long Beach libraries have free public Wi-Fi.

Many local Internet service providers (ISPs) in Long Beach provide low-cost Internet services for qualifying households.

Digital inclusion is a key part of the City's 2020 Census efforts.

The City of Long Beach is in the process of co-creating a Digital Inclusion Roadmap with community members and local stakeholders. Some of the focus areas of the Roadmap will include computer classes, low-cost Internet services, low-cost technology devices and more!
