## FOSTERS URGENTLY NEEDED

When animal shelter admissions spike because of incoming dogs and cats who were lost due to fireworks, they need space in the shelter.

You can make a difference for a dog or cat by fostering an available, adoptable pet for up to fourteen [14] days to make space for the incoming animals during the holiday.

You would be helping the shelter, the community's animals, and the families of those lost animals, giving them time to reunite with their beloved family members.
